## ACCESS ACROSS THE COUNTY

The Los Angeles Homeless Services Authority (LAHSA) and its funded agencies, in partnership with the City and County of Los Angeles, work to ensure that persons experiencing homelessness can continue to access critical services at Access and Navigation Centers to **meet their basic needs, access emergency services, and obtain referrals to housing resources** including those available through the **LA County Coordinated Entry System (LA CES)**.

## WHAT TO EXPECT AT AN ACCESS CENTER?

CES Access Centers are call-in or drop-in locations where persons experiencing homelessness can gain initial access to or continue contact with housing and supportive services available through LA CES. Access Centers can provide referrals to:

- Interim Housing programs for persons experiencing unsheltered homelessness;
- emergency services (domestic violence, emergency physical/mental healthcare) and other supportive services (mental health, workforce development, etc.); and
- to or, direct provision of, basic services such as food provision, storage, and hygiene services.

## FIND AN ACCESS CENTER

Connect to an Access Center by following these 3 steps:

- 1 Identify your Service Planning Area (SPA), as shown on the map on page 2 of this document or via this **ONLINE TOOL**.
- 2 Find an Access Center based on the population that best describes you:
  - Adults (18 years old and over)
  - Families with children (dependent minors or adult dependent child)
  - \*Youth (16-24 years old)
- 3 Contact an Access Center based on "Operation Hours" and related contact information.

*\*Youth-aged families (where one head of household is 24 or younger) can be served in either the family system or the Youth system, depending on participant choice.*

For more information and referrals for all health and human services, please dial 2-1-1, call (800) 399-6993, or visit **211LA.org**. The 2-1-1 phone line is open 24 hours, 7 days a week.
