The youth sports program provides various instructional camps, sports leagues, and special programs throughout the year. Recreational competition is provided for both boys and girls. Teams are coached by volunteers who share their time and talent with the participants.

YOUTH TEAM REGISTRATION

Youth sports league registration is accepted on a “team basis.” Individual players’ names will be added to a Free Agent List. Players’ names are distributed to existing teams expressing an interest in adding new players or to new teams that are forming. For those players not contacted and placed on a team, their parents are required to attend a parent’s meeting. The purpose of these meetings is to recruit new coaches. Staff will make every attempt to recruit coaches for these players, however there is no guarantee of placement on a team. Individual players interested in playing these sports should contact the Sports Office.
