

**CHARLENE "CHAR" TABET**      **Age: 52**  
**Occupation: Incumbent**

Re-Elect an educator and voice for our community for the Board of Education. I was born and raised in Burbank and attended Burbank schools. I have raised three children in the district during which I served as PTA president at Jefferson Elementary, John Muir Middle School, and at Burbank High School. Additionally I have served on various school site councils, text book selection committees, the Board of Directors for the Burbank Vikings youth football program, and as past president of National Charity League, Burbank Chapter.

As an educator and a current Board Member, I understand the importance of providing our youth with a positive and rigorous academic setting and will continue to work with the Board and the Superintendent towards a 100% graduation rate. I will continue to bring the administration of Measure S funds to our school sites so that our students may benefit from the Technology and infrastructure necessary for a quality education in the 21<sup>st</sup> Century.

I appreciate your vote to re-elect me as a Board Member.
