June 18, 2018
Management Services Department

memorandum

DATE: June 19, 2018

TO: Ron Davis, City Manager

FROM: Patrick Prescott, Community Development Director 

SUBJECT: June 18, 2018 Transportation Commission Meeting Synopsis

- Staff gave a presentation of the roles and responsibilities of the Community Development Department, with a particular emphasis on the Transportation Division.
- Staff provided an update on the latest Fiscal Year Local Return and BurbankBus performance figures. The data show that ridership is down slightly on the fixed route service, while costs are up slightly. The Senior/Disabled service data shows ridership down significantly with costs up significantly. The Commission expressed concern about the flagging ridership and indicated they would recommend changes at a later date.
- A community member, Candice Myers, discussed the Olive/Sparks/Verdugo intersection reconfiguration with the Commission and asked staff to investigate various case study statistics.
