SUBJECT: Downtown Burbank Partnership (PBID) Meeting – February 21, 2019

- Staff presented post event wrap-up information regarding the 2018 Burbank Beer Festival and Winter Wine Walk events. In 2018, the Burbank Beer Festival resulted in 4.2 million digital media impressions and 2,300 ticketed attendees. The Winter Wine Walk once again sold out with 1,600 ticketed attendees and 4.1 million digital media impressions. Although both events were successful, the Beer Festival has been experiencing a downturn in attendance year over year and for that reason, the California Beer Festival group who produces the event in collaboration with the PBID, has decided to discontinue the event going forward in 2019.

- Staff reviewed the 2019 calendar year budget with the Board, noting that funding will be allocated this year and moving forward to new Management District Plan (MDP) categories including: Zone 3 maintenance, a new marketing and design program, new wayfinding signage and banners, a Social Outreach and Hospitality Program, and an updated district website. Additionally, the Board elected to conclude outgoing sponsorship allocations in 2019 and beyond reallocating those funds to new MDP programs noted above. After further review and discussion, the Board unanimously approved the 2019 budget for Downtown Burbank.
