SUBJECT: Downtown Burbank Partnership (PBID) Meeting – July 11, 2019

- Staff gave an update on the annual Downtown Burbank Car Classic, which will be held on Saturday, August 3, 2019. Staff reported that currently there are 115 cars registered. The event will again be expanded along San Fernando Blvd. to Magnolia Blvd. to include the Burbank Town Center. Staff is working with the Burbank Town Center to activate the dining terrace with activities and entertainment. The event will feature three DJ's, a live percussionist and several sponsors including Story Tavern, Bow Wow Bungalow, and Detail Garage Burbank. VIP attendees include The Television Motion Picture Car Club, Unique Twist, The Burbank Historical Society and more. The event will also feature chalk artists and a kid’s activity block with free activities including face painting and balloons.

- Staff provided the Board with an update on the Hospitality and Social Outreach Ambassador Program. With the renewal of the Downtown Burbank PBID, additional funding became available to establish programs and services to address this issue. In March of 2019, the Hospitality and Social Outreach Services Program with StreetPlus was implemented. The StreetPlus staff monitor and build relationships with performers, and work along with the community and local law enforcement to address concerns. For a period of six months from June to December, StreetPlus will compile data on: performance times, number of performers, types of performances, and whether any merchandise is being sold by the performer. At the end of the six-month period, staff will review the data and recommend any additional action that would serve the City’s interest in preserving public safety and maintaining peace in the Downtown.
