

## Public Notice

A request to allow for the sale of beer and wine at 240 North Glenoaks Boulevard

### What is this?

This notice is to let you know that the City of Burbank Planning Board will be making a decision to approve or deny an application for a Conditional Use Permit (CUP) to allow the on-site sale and consumption of beer and wine at a sit-down restaurant (Ameci Pizza Kitchen). The subject property is located in the C-3 Commercial General Business and R-4 High Density Residential zones. This project has been determined to be exempt from the California Environmental Quality Act (CEQA) Section 15061(b)(3) for which this activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment, for which this project will not.

### Why am I getting this?

This notice was mailed to all residents and property owners within 1,000 feet of the project to solicit input prior to the final decision. Because you have the right to appeal the decision of the Planning Board to the City Council, whether the project is approved or denied, we wanted you to know about both options for participating: call or write to tell us what you think about the project, and/or appeal the Board's decision if you disagree.

The Planning Board will make a decision to approve or deny this project on September 13, 2021. You also have a right to appeal the decision within 15 days of the date that the decision is made (any appeal must be filed *no later than 5:00 p.m. on September 28, 2021*). To file an appeal, please contact the Project Planner listed below.
