The screenshot displays the EnviroStor web application interface. At the top, the logo for the Department of Toxic Substances Control (DTSC) is visible, along with the 'ENVIROSTOR' branding. A navigation menu includes links for Home, Tools, Reports, Community Involvement, How to Use EnviroStor, ESI, and DTSC Web. The main content area is titled 'PROJECT SEARCH RESULTS' and shows search criteria for 'BURBANK, 91506, LOS ANGELES'. A dropdown menu for 'STATUS' is set to 'All Statuses'. Below this, a table lists two records found, each with links to report and map, and columns for site name, ID, program type, status, address, city, zip, and CA EnviroScreen score.
