

COMMUNITY DEVELOPMENT

City of Burbank – Planning Division
Development Permit Application
Waiver to Share Architectural Plans for Public Review

The City of Burbank is committed to caring for the health and well-being of our employees, customers and community – and to reducing the threat of COVID-19. Effective Thursday, April 2, 2020, the City’s Community Development Department has transitioned to modified operations that establish online services.

Planning projects requiring public review will be required to provide authorization from the project designer/architect/engineer. The authorization will allow City staff to post and share proposed architectural plans with members of the public as may be necessary in order to complete the applicable Planning permit review process.

Please note that failure to complete this form may result in a delay to any projects requiring public review.

Project Address: 830 SAN JOSE

Project Description:
NEW 2 STORY SINGLE FAMILY RESIDENCE.

I, NAREG KHODADADI, am the Architect/Designer/Engineer for the proposed project at the above-referenced subject property and own the copyright to any submitted plans. I voluntarily grant permission to the City and its employees to copy or adapt any submitted work for inclusion in staff reports, publication on the City’s website, and any other use intended to ensure public review and comment during the COVID-19 crisis.
