## **FAMILY SELF-SUFFICIENCY (FSS)**

---

Family Self-Sufficiency (FSS) is a HUD program designed to help Housing Choice Voucher Program participants achieve economic independence. The FSS Program offers a financial incentive to participants through the establishment of an escrow account which becomes available to the household upon successful completion of their Contract of Participation.

Participation in the FSS program is voluntarily for families and is open to current Housing Choice Voucher Program participants. Families entering the FSS program work with a case manager to develop goals that will, over a 5-year period, lead to self-sufficiency.

When the family meets its goals and completes its FSS contract, the family becomes eligible to receive funds deposited in an escrow account on its behalf throughout the family's participation in the FSS program.

**Currently open for enrollment. For additional information, please contact Odet Ayvazyan with the Burbank Housing Authority at 818.238.5155.**
