HUD-VETERANS AFFAIRS SUPPORTIVE HOUSING (HUD-VASH)

The HUD-Veterans Affairs Supportive Housing (HUD-VASH) program combines Housing Choice Voucher (HCV) rental assistance for homeless Veterans with case management and clinical services provided by the Department of Veterans Affairs (VA). VA provides these services for participating Veterans at VA medical centers (VAMCs) and community-based outreach clinics.

A key component of the program is VA's case management services. These services are designed to assist Veterans in obtaining and sustaining permanent housing and engage in needed treatment and other supportive services that improve Veterans' quality of life and end their homelessness. Case Management is the heart of this program and is a requirement for participation in the HUD-VASH voucher program.
