This map illustrates proposed street infrastructure improvements that address the community’s safety concerns and help develop a safer walking environment for students.

**SCHOOL INFORMATION**
- School Entrance/Exit
- Attendance Boundary
- Crossing Guard

**SHORT-TERM IMPROVEMENTS**
- All-Way Stop Sign
  - Installation contingent upon council approval of proposed local All-Way Stop Sign policy.
- Bulbout
- Curb Ramps
- High-Visibility Crosswalks - School
- School Signage
- 15 MPH School Speed Zone

**Speed Hump Criteria Policy Update**
Pending Council approval, an updated proposed policy would allow for speed hump installation on streets surrounding the schools.
