Acceptable Items

Special \$8.56 Handling Fee Required*:

Air conditioners, air compressors, dishwashers, drinking fountains, freezers, gas chainsaws, lawnmowers, gas leaf blowers, mattresses/box springs**, refrigerators (emptied), stoves, tires, washers/dryers, water heaters and softeners

No Special Handling Fee:

Bed frames, chairs, couches, cribs, dressers, large plastic toys, metal furniture, propane/oxygen tanks (emptied, and valve removed), tables, TVs

Prohibited Items

Auto Parts: Car seats, batteries, doors, fenders, gas tanks, motors

Construction Materials: Bricks/cinder blocks, concrete, ceramic tile, sand/dirt/rocks, fencing, pallets, roofing materials, railroad ties, duct/sheet metal, plaster, sheetrock, floor coverings, marble, counter tops, etc.

Other: Ammunition, bio-infectious material, cardboard, dead animals, extra bags or boxes of trash, fire-damaged items, furnaces, gun powder/explosives, hazardous waste, metal grocery carts, paint, radioactive material, smoke detectors, yard waste

***A Special Handling Fee (\$8.56/occurrence) applies to these items. This fee puts the added costs of pickup of these items onto the customer requesting the service instead of all rate payers.**

**Your local retailer is required by law to pick-up your old mattress for free if they deliver your new one. However, residents can bring mattresses and box springs to the Burbank Recycle Center from Monday - Saturday. There is no Special Handling Fee for residential mattress drop-off. Cardboard is also accepted at the Recycle Center, Monday - Saturday.

Most bulky items are sent to the landfill and not recycled, so please use this option last! Repairing, donating, or selling items will help extend their life and give someone else a chance to enjoy them.
