

# Burbank Means Business for Organic Recycling

**Food scraps and landscape clippings (Organics), are not allowed in the trash under Senate Bill 1383 and Burbank Municipal Code Title 4, Chapter 2 (effective April 15, 2022)**

## CONTACT YOUR HAULER

Subscribe to organics hauling service

## SORT IT OUT!

Provide 3 separate containers for recycling, organics and trash in all collection areas (*indoors and outdoors*) with clear signage to help educate and prevent contamination

## PREVENT CONTAMINATION

Monitor regularly to keep streams clean (*no plastics in organics bin*)

## ANNUAL EDUCATION

Reinforce programs by providing education to employees, tenants, etc.

### WAIVER:

Some businesses may qualify for an exemption (limited space, low volume, etc).
