

CANDIDATE STATEMENT FORM - NONPARTISAN OFFICES

Statement of: Jamal El-Amin
Candidate For: Burbank City Clerk
Election Date: November 8, 2022
Age: 53
Occupation: Financial Annuity Consultant

Burbank residents! The city clerk's office is your office. It's a link between you and city government. I want to make the office a household name to every resident. I will listen to your concerns, make sure your voices are heard, and keep you well informed about city issues. The clerk's office will work on ways to make our elections the most convenient and modernized in the country. We will also strive to increase voter turnout.

Ten years ago, I moved to this beautiful city and immediately fell in love. In the interest of learning more about Burbank, I applied and was accepted into the RISE (Residents Inspiring Service & Empowerment) program class of 2021. I've learned so much about the inner workings of city government and services. The RISE program taught me the importance of individual participation to the growth and success of a city.

I want to increase that participation among all of Burbank's wonderful residents, especially those who've never been politically engaged. As a professional and in my personal life, I've come to appreciate the value of service and it will be my honor to serve you.

Thank you for your support,

Jamal El-Amin
