

CANDIDATE STATEMENT FORM - NONPARTISAN OFFICES

Statement of: Kimberley Clark
Candidate For: Burbank City Clerk
Election Date: November 8, 2022
Occupation: School District Management Executive

If elected City Clerk, I will work to provide excellent service to the residents of Burbank while continuing to introduce innovative ideas to increase voter participation. Since 2010, I have served as the Burbank Unified School District's Public Information Officer and Executive Assistant to the Superintendent and Board of Education. I have good relationships with community members and state and local officials. In addition to serving the students and families of Burbank, I oversee elections and disclosure statements, maintain District policies and administrative regulations, and manage the production of agendas and minutes for Board of Education meetings.

I grew up in Burbank, attended Burbank schools, and am proud to call Burbank my hometown. I hold a B.A. in Honors English from CSUN, and an M.A. in Business Writing from Brunel University, London. I am a graduate of the 2014 Leadership Burbank class, a member of the Burbank Human Relations Council, and Vice Chair of the Board of the Burbank Temporary Aid Center (BTAC). In 2020 I received an Honorary Service Award from the Burbank Council PTA.

I humbly ask for your vote as City Clerk.
