

CANDIDATE STATEMENT FORM - NONPARTISAN OFFICES

Statement of: Nikki Perez
Candidate For: Burbank City Council
Election Date: November 8, 2022

Burbank has always been my home, and there's a lot to love about our city. However, as we navigate through the pandemic and economic recovery, who we elect this cycle needs to be responsible for putting solutions on the table.

Having grown up in Burbank, I know we can do things better. I would propose creating a business concierge program at the city to entice businesses to relocate to Burbank; make smarter decisions about our land use policies; create a concrete plan to deal with rising housing costs and homelessness; increase investment in community events, infrastructure, city amenities, and facilities; and partner with businesses and families to help cover some of the costs of making our homes, buildings, and transportation better for our environment.

As a trained social worker, with a background in public service, I manage a program that has brought government agencies and nonprofit partners together to successfully lift unhoused families out of homelessness. I know how to find solutions to tough problems, and I'm ready to take that expertise to our city leadership.

My name is Nikki Perez and I hope I can earn your vote for Burbank City Council on November 8th.
