

Candidate Statement
Paul Herman for Burbank City Council 2020
Rev August 3, 2020

I am Paul Herman. My wife Amy and I have been fortunate to raise our family here in Burbank for the past 13 years. I have been honored to serve our Community by volunteering on the Boards of the Boys and Girls Club, Burbank Water and Power, our Chamber of Commerce, and Woodbury University School of Business.

As a local business owner and resident, I appreciate those qualities that make Burbank a wonderful place to live. It is vital that we have the right leadership during these challenging times, and I am the right person to manage us through this crisis.

Here are the 3 main issues I will tackle in Office:

Community Safety

- Increase funding for our City's Mental Health Evaluation Team.
- Prioritize funding for School Resource Officers.

Building Bridges with our Schools

- Create opportunities to build broader community coalition to support schools.
- Be an advocate for youth programs.

COVID-19 Economic Crisis

- Manage the fiscal impact on our City's budget.
- Provide resources for small businesses to kickstart our local economy.

I would be honored to fight for you through this crisis and serve as your next City Councilmember. To get involved, visit: www.VotePaulHerman.com.
