

Burbank SWAT Sniper
Training Plan / Summary
March 26, 2026

Training Plan

Monthly Topic: Loophole Shooting, Multi Target Identification and Engagement

Schedule:

Thursday, March 26th, 2026 (0600-1600 hours)

0600-0800: Team Workout, travel to BPD Range.

0800-0830: Gear Maintenance and Hide Kit Testing

0830-1200: Shooting Qualifications (.308)
Qualification includes: Cold Bore shot, multi-target engagement, speed rings, positional shooting. All targets must be hit within acceptable zone, no misses allowed: All Passed.

1200-1300: Lunch

1300-1430: Loophole Shooting: Shooter will engage target from distance behind a barrier. Target will be engaged through a "loophole" in the barrier, simulating shooting from cover/concealment to a target.

1430-1530: Target Acquisition Drills
Shooter is given a target with several small bullseyes on it. Each bullseye is labeled with a different 4 digit number. Coach calls out a random target ID number for the shooter, shooter must utilize optics to find the correct target and engage within the given time limit. All passed.

1530-1600: Clean Up Range, Return to BPD
