About Afterschool Daze

The City of Burbank Parks and Recreation Department would like to welcome you and your child(ren) to Afterschool Daze (ASD) Drop In Program, a supervised recreational program for students in grades K-5 at McKinley and Providencia Elementary schools. The 2022-2023 ASD Drop In program will be offered every school day, Monday through Friday beginning at the grade 1 and 2 dismissal time through 6pm.

At ASD, we provide a safe environment for children with activities that enhance the children's physical, social, and cognitive development. Experienced staff lead the children in activities such as games, sports, nature, cooking, crafts, science, fitness, and special events. Homework time is designated daily and assistance is offered by staff. Please note that this is a drop in program and it is not child care.

Program hours cover regular dismissal time, including early Tuesday dismissal at 2:05 p.m. **We do not have coverage available for early kindergarten release.** Supervision is provided to meet the school's "minimum day" needs (usually 1:13 p.m. or 2:05 p.m. dismissal) at no additional cost. **The ASD program closes promptly at 6:00 p.m., late fees will be charged after 6:00 p.m.**

In the first several weeks of the school year, supervision is provided at the early dismissal time for schools with divided openings.

The ASD program cannot accommodate specific classroom schedule changes for field trips or other activities. If your child will be dismissed before ASD hours, please make arrangements to care for your child until regular pick up time at your school. Some schools will assist in accommodating children that have schedule changes until ASD care begins.

Partnership with Burbank Unified School District

The City of Burbank Parks and Recreation Department staff offers the ASD program with the support of the Burbank Unified School District. If you have any comments, questions, or concerns related to the ASD program, please contact the ASD staff, **not** the elementary school staff.

Staff

Program staff are all employed by the City of Burbank and work in the Parks & Recreation Department. Staff consist mostly of college students and college graduates. Many of the staff have taken or are currently enrolled in child development, education, and recreation classes. Staff also work in our Summer Daze program as well Winter and Spring Break Camps. All staff are CPR, First Aid, and Blood Borne Pathogens certified. In addition, staff go through the Live Scan fingerprinting process. The staff is enthusiastic and strive to provide exemplary programming!

The Recreation Leader at each site is the site supervisor of the ASD program. The Recreation Leader is an experienced part-time member of the City of Burbank Parks and Recreation Department. Each ASD site is staffed with one Recreation Leader and one or more Work Trainees who support and assist the Recreation Leader in all program activities.

Medication

If your child requires medication during program hours, you and your doctor must complete a **Medication Release Form**. You can find this form on page 11. This form must be on file with the program director. ASD staff will administer the medication **only** with this form on file.

Please note any information that will help staff effectively supervise your children, for example: health considerations, special needs, etc. on their Participant Sheet.

What to Send with Your Child

Children should wear comfortable clothing and athletic shoes (**no sandals, Crocs, or open toe shoes**) to the program.

Send your child with the following **labeled** items daily

- ✓ Mask (Daily clean mask, along with a clearly marked plastic bag for storage)
- ✓ Reusable water bottle
- ✓ Healthy snack

Sign In/ Out

Participants will meet the ASD staff at the lunch shelter and sign themselves in.

McKinley: Parents may pick up their children at the lunch shelter/playground. Rather than honking to pick up your children, we encourage parents to come in to ASD to pick up their children. Parents may enter the school through the gate on Elmwood Avenue.

Providencia: Parents must pick their children up at the school's front office. The Providencia office staff will radio the ASD staff to send their child(ren) to the office.

The ASD program may deny access to an adult whose behavior presents a risk to children present in the facility or whose actions disregard the rules and regulations of the program. Furthermore, children will not be released to an adult who appears to be under the influence of drugs or alcohol. If any of these situations appear to be a continuing problem, your child may be dropped from the program.

Emergency Preparedness

The City of Burbank Afterschool Daze program aligns its Emergency Procedures with BUSD specific to each site. Your child may be required to participate in an emergency exercise, i.e. fire or earthquake drill. In the event of an emergency, ASD sites may be placed on lockdown or may require evacuation. In the case of a facility evacuation, students will be relocated to a safe, open area of the site such as a ballfield or large grass area. Should a site phone become unreachable, please call Ovrom Community Center at 818-238-5435 for information.

Program Locations

The ASD Drop In program will take place on the school grounds of McKinley and Providencia schools.

SCHOOL	WHERE CHILDREN MEET*	PICK UP LOCATION*
McKinley	Lunch Shelter	Lunch Shelter/ Playground
Providencia	Lunch Shelter	Front Office

* Where the children meet and pick up locations are subject to change.

In case of inclement weather, the program will be held indoors in a room provided by the school.

Late Pick-Up

Late pick up fees will be charged starting at 6:01 p.m. for Afterschool Daze. The charge is \$5.00 per child for the first 15 minutes, or portion thereof, and an additional \$1.00 per minute thereafter. Late pick up fees are due the next program day at pick up. Picking your child up late on a consistent basis or picking up your child excessively late will result in your child being dropped from the program.

Emergency Contact Information

Please make sure all the information on your child's Participant Sheet is current and accurate. This is the information you entered during online registration for the 2022-2023 Afterschool Daze program. If you move or change phone numbers (work, cell, or home), please make sure that the information on your child's Participant Sheet is updated immediately.

Court Orders

Parents are automatically authorized to pick up their children if they are listed on the Participant Sheet. The ASD & Kinder Club program can not restrict the rights of one parent at the request of the other parent. If there are extenuating circumstances, such as a Restraining Order, please contact the ASD Director.

Parent Volunteer & Visitation Policy

The City of Burbank Parks and Recreation Department is committed to providing safe and quality programs for your children. For the safety of the children in the ASD & Kinder Club programs, the City of Burbank does not allow parents to volunteer or make visits during program hours. Engaging in activities or interacting with other children during program hours is prohibited. This restriction allows for our staff to have better supervision of the children, limit their exposure to strangers and ensure a safer environment. In addition, parents will not be allowed to enter the center. If you need to drop off a snack/lunch or other materials, please coordinate with staff.

Personal Property

All articles of clothing and personal property should be clearly marked with your child's name. Be aware that possessions do get lost or misplaced; please discourage your child from bringing toys, play cards, or any valuable items. Cell phones are not to be used during ASD hours. Children using cell phones will be asked to put them away. The City of Burbank Parks and Recreation Department is not responsible for any items lost or stolen.

Parent Communication

We strongly encourage parent communication and cooperation with the staff. Good communication with each parent helps ASD staff relate to the children most effectively. Please feel free to communicate any special needs or address any concerns that you have to the staff. The staff will inform you of any behavior concerns regarding your child when necessary. Under no circumstances should a parent of one child attempt to discipline another child. In such a case, please address your concerns to staff.

Discipline Policy

Safety of our participants is our top priority. The discipline policy is set to ensure everyone in ASD is safe and having a good experience. If there is a need for discipline, appropriate action will be taken. The procedures used by staff are designed to be fair, consistent, and effective. The staff and child will discuss the inappropriate behavior and expectations of them in the program. Parents will also be informed of the situation. If a child's actions are unsafe or continuously disruptive to the program's operations, disciplinary action will be taken. Depending on the misbehavior, the child could receive a warning, a time-out, participation privileges taken away, and/or suspension or expulsion of the program.

Examples of misbehavior that could result in discipline:

1. Causing or attempting to cause physical injury to a fellow student, staff, or member of the public
2. Causing damage to City property or private property
3. Committing an obscene act
4. Engaging in habitual profanity, inappropriate words, teasing or vulgarity
5. Willfully defying and/or disrespecting the Parks and Recreation staff
6. Engaging in bullying through verbal, physical interaction and/or electronic device
7. Running away from staff
8. Breaking the program rules
9. Additional behavior that may be disruptive, unsafe, and/or inappropriate
10. Not following program policies and procedures related to face covering, frequent hand washing and/or other safety protocols

If a child's behavior is unsafe or harmful to themselves or others, or is disruptive to the program, parents will be called to pick up their child from the program immediately. The program supervisor reserves the right to determine which consequence is appropriate for the child's actions. Please note that there is zero tolerance for physical violence and unsafe behavior, such as running away and/or hiding from staff.
