

Now Recruiting for Summer 2023 Program!

Dear High School Student:

The City of Burbank Parks and Recreation Department is recruiting for the Summer Counselor-In-Training (CIT) Program.

The CIT program is a **free** 10-week program for high school students that allows you to:

- Gain valuable work experience in our youth day camp programs
- Enhance your resume
- Earn volunteer service-learning hours
- Have a fun time and give back to the community

Components of the Counselor-In-Training program include daily interaction with children and staff in summer camp programs, hands-on experience working with children, and interactive training sessions. Students will assist and lead arts, crafts, sports activities, games, special events, and more. CIT training sessions will explore activity planning and career opportunities. This experience will help prepare teens for a future career in recreation, education, childcare, or related fields. The Summer 2023 program will run from May 30 – August 11.

In order to complete the program, CIT's must meet the following:

- Complete minimum 10 CIT hours per week at assigned day camp location
- Attend CIT Orientation and two training sessions
