D. PLAY-OFFS FOR LEAGUES WITH 2 ROUNDS OF PLAY

1. Semi-final Games
 - a. Round 1 Seed 1 will play Round 2 Seed 2
 - b. Round 2 Seed 1 will play Round 1 Seed 2
 - c. The winners of the above mentioned games will play in the championship game the following week.
2. If a team wins rounds in both a lower and a higher league, they must compete in the finals of the highest division. (The next highest team in the first round will move into the play-off position).
3. If one team has the first seed in both rounds in a division, they will be given a bye to the championship game, and a playoff game will be played between the second seed teams of each round. Winners of the playoff game will move on to the championship game to play Seed 1.
4. If the same team is the first seed in both rounds, and the same team is the second seed in both rounds, the teams will play in a playoff(s) game. If seed one wins the playoff game, they are determined the winner, and seed 2 will be the runner up of the division. If seed two wins the first play off game, then a second playoff games will be played to determine the league champions. (Seed 2 must beat seed 1 two times to be declared champion)
5. If there are two different Seed 1 teams and the same Seed 2 team for both rounds, the Seed 1 team with the best record in the round they won will receive the bye to the championship game. The remaining Seed 1 team will play the Seed 2 team in a semi-final game to determine who goes to the championship game.
