CAMP GROUPS

Campers will be divided into stable groups for the week. Campers will participate in several camp activities throughout the day and camp activities will be structured to allow for as much social distancing as possible.

MEDICATION

Prescription Medication: If your child requires any medication (including an EpiPen) during program hours, you and your doctor must complete a Burbank Parks & Recreation Department Medication Release form. Art Experiences Camp staff will administer the medication only with this form on file. Camp staff must hold all medication. Please bring in medications in their original containers. Please do not put your child's medication in their lunches, cubbies/baskets or send medication with your child to administer themselves.

Over-the-Counter Medication: If your child will be taking over the counter medication (such as Tylenol, Benadryl, etc.) during program hours, we must obtain the Burbank Parks & Recreation Department OTC Medication Release Form signed by the parent. Staff will administer the medication, as needed, according to the product label only. Please bring in medications in their original containers. Camp staff must hold all medication. Please do not put your child's medication in their lunches, cubbies/baskets or send medication with your child to administer themselves.

HEALTH AND WELLNESS

The health and well being of our Art Experiences campers, staff, and families is of great importance. We require that children who exhibit any common symptom of illness, whether Covid-19 related or not, stay home.

A brief health screening and temperature check of each child will be made daily as each child enters camp. Those displaying fever and/or symptoms of infection will not be permitted to stay. If a camper develops signs of illness or symptoms that prevent them from actively participating in camp, the child will be isolated from the other children and parents or guardians will be notified by phone to come pick them up. An authorized adult must arrive within 30 minutes of notification. Children who exhibit symptoms related to illness (non-Covid), may be required to be symptom free for 24-hours before returning to camp.

Camp staff will adhere to the same health guidelines as described for campers.

Cleaning and disinfecting of frequently touched surfaces including door handles, faucets, tables, counters, toys, and equipment take place regularly throughout the day.

All activities will be structured to allow for as much social distancing as possible. Continued use and education of proper handwashing will be emphasized throughout the day.

Art Experiences abides by applicable safety guidelines and protocols from the Los Angeles County Department of Public Health and the State of California. **Guidelines and protocols may change throughout the summer.**

CAMPER BEHAVIOR EXPECTATIONS

We want every camper to have the best camp experience possible. To ensure we maintain a safe environment and each camper is free to experience camp life to its fullest, we will not tolerate any behavior that takes that opportunity away from other campers.

If there is a need for discipline, appropriate action will be taken. The procedures used by staff are designed to be fair, consistent, and effective. The staff and child will discuss the inappropriate behavior and expectations of campers. Parents will also be informed of the situation. If a child's actions are unsafe or continuously disruptive to the camp's operations, disciplinary action will be taken. Depending on the misbehavior, the child could receive a warning, a time-out, participation privileges taken away, and/or suspension or expulsion of the program.

Examples of misbehavior that could result in discipline:

1. Causing or attempting to cause physical injury to a fellow camper, staff, or member of the public
2. Causing damage to City property or private property
3. Committing an obscene act
4. Engaging in habitual profanity, inappropriate words, teasing or vulgarity
5. Willfully defying and/or disrespecting the Parks and Recreation staff
6. Engaging in bullying through verbal, physical interaction and/or electronic device
7. Running away from staff
8. Breaking the day camp rules
9. Additional behavior that may be disruptive, unsafe, and/or inappropriate
10. Not following day camp policies and procedures related to social distancing, face covering, frequent hand washing and/or other safety protocols

If a child's behavior is unsafe or harmful to themselves or others, or is disruptive to the program, parents will be called to pick up their child from camp immediately. The program supervisor reserves the right to determine which consequence is appropriate for the child's actions. Please note that there is zero tolerance for physical violence and unsafe behavior, such as running away and/or hiding from staff.

PARENT INVOLVEMENT

We strongly encourage parent communication and cooperation with the staff. Good communication with each parent helps the Art Experiences Camp staff members relate to the children most effectively. Please feel free to communicate any special needs or address any concerns that you have to the staff. The staff will inform you of any behavior concerns regarding your child when necessary.

The City of Burbank Parks & Recreation Department is committed to providing safe and quality programs for your children. For the safety of the children in the Art Experiences program, the City of Burbank does not allow parents/adults to volunteer or make extended visits during program hours. If you need to drop off a snack or talk to your child during program hours and you are not signing your child out, please limit your visit to less than five minutes. Engaging in activities or interacting with other children during program hours is prohibited. The limited visitation time allows for our staff to have better supervision of the children, limit their exposure to strangers, and ensure a safer environment.

BATHROOM POLICY

Campers will visit the restroom at a specific time as a group supervised by staff. If a camper needs to use the restroom before or after the designated time, staff will accompany them and wait in the doorway of the restroom while he/she uses the facility.

Staff supervise all trips to the bathroom and inspect the facility prior to allowing a child to enter. The number of children that may enter the facility at any one time is dependent on the overall size of the facility (social distancing guidelines apply). Staff members stand at the doorway to the bathroom in order to control and prevent any inappropriate activity. Should a child require assistance with a clothing item such as a difficult button, staff will position themselves so that they are visible to others.

LOST ITEMS

Art Experiences is not responsible for any lost or stolen items. Please label snacks and personal belongings with your child's full name. At the end of each day, any personal belongings left at camp are placed in the Camp's Lost and Found. Unclaimed Lost and Found items will be donated at the conclusion of summer.

PHOTOGRAPHY

Please be advised that Art Experiences Camp participants are subject to being photographed and such photographs may be used to publicize City of Burbank programs and events.
