## **2021 Austin Cook Award for Outstanding Youth**

The Austin Cook Award for Outstanding Youth was developed by the Burbank Youth Board to recognize exceptional youth in the community. Once a year, individuals are selected by the Youth Board to be honored at a Burbank City Council meeting. This award is in recognition of the exemplary character modeled by Austin Cook. As an outstanding youth, Austin attended Jefferson Elementary School and John Muir Middle School. His life touched the heart of the Burbank community and serves as an example to all youth.

This award program is designed to highlight middle and high school aged youth for an achievement(s) or for actions that have positively contributed to the community. Examples might include, but are not limited to: youth that have provided outstanding volunteer service, an achievement while overcoming adversity, and youth donating their talents to the community.

The Burbank Youth Board is seeking nominations for recognition in June 2021. To submit a nomination, please complete the attached 2021 Nomination Form.

*Please note: Youth Board members are not eligible for nomination.*

Submit completed forms by **April 22, 2021**
