

Candidate Statement
Judie Wilke
Submitted to City Clerk's Office: July 29, 2024

Statement of: Judie Wilke

Candidate For: Member of the City Council

Election Date: November 5, 2024

Age: 55

Occupation: Retired City of Burbank Assistant City Manager

I am a proud Burbank resident of over 50 years and am beyond excited to continue serving my hometown as a City Council Member. I'm a product of our fantastic Burbank schools and received my BA in Political Science from CSULB and MA in Organizational Leadership from Woodbury University.

After working at Burbank City Hall in various leadership roles for 32 years, I retired as the Assistant City Manager last year. This vast experience makes me uniquely qualified to serve on the Council and hit the ground running on day one. During my tenure, I had the opportunity to listen and learn from our community, which provided me with a deep understanding of the issues facing us. I have the historical perspective and proven track record of recognizing what works and what doesn't for Burbank. I have the knowledge and experience to identify and solve problems, and the passion to work hard to ensure Burbank is the best it can be.

As your Council Member, I will always put Burbank first. I have no personal agenda or desire to run for higher office. I am only committed to Burbank and championing our amazing City!
