

CANDIDATE STATEMENT

David Donahue
Burbank City Council 2026

As a small business owner, I am running for City Council to provide experienced, non-partisan leadership.

My community engagement goes back over 35 years, my service has included chairing the Crisis House Anti-Slavery Program to combat human trafficking, advocating for natural resource protections as President of a local Council of Divers, and raising funds for the Boys & Girls Club. I previously served as President of Vision Burbank and President of the Burbank Fair Housing PAC.

I am a Burbank Chamber of Commerce member and serve on the Burbank Association of Realtors Legislative Committee. I want to ensure we retain the charm and personality of Burbank, which is why it is important to push back against government overreach when it comes to removing 2 lanes of traffic on Olive Ave. I will advocate for increased incentives for local production, reducing the hoops required for tax credits, and reducing permit fees.

I am fighting for your property rights and against multistory apartments without required parking, which will result in over \$1 billion in local infrastructure improvements.

I would be honored to have your vote.
