This will ensure the city will maintain an affordable rental housing stock that is at risk of becoming unaffordable for low-income families and/or to produce new affordable unit in the City of Burbank. B.3 Progress Report.

Provide a description of the PHA’s progress in meeting its Mission and Goals described in its 5-Year PHA Plan.

In the first year of the Five-year Plan, the Burbank Housing Authority (BHA) has assisted the most needy and vulnerable households in the City of Burbank. The BHA assisted 838 households in the first reporting year. Staff monitors expenses on a monthly basis; will utilize reserve funds, if available; and will request additional funds from HUD as necessary. The Burbank Housing Authority has achieved the following objectives:

1. The Burbank Housing Authority has applied for Special Purpose vouchers and received 5 Foster Youth to Independence (FYI) vouchers through the Consolidated Appropriations Act, 2023.
2. The Burbank Housing Authority has continued educating landlords and Section 8 participants on housing quality standards.
3. The BHA has continued to administer the Family Self Sufficiency Program. The FSS program continues to assist participants in obtaining employment that allows them to become self- sufficient, not dependent on welfare assistance and Section 8 assistance.
4. The Burbank Housing Authority continues to distribute information on housing opportunities thought the City of Burbank and has also been communicating updates regarding new City and State laws to landlords and tenants.
5. The Burbank Housing Authority has maintained an active role in shaping rental assistance policy by providing feedback on proposed program rules and regulations. The City approval of the 2025 Legislative Platform in March 2025 formalized continued engagement with federal and state representatives, enhancing advocacy efforts to expand rental assistance eligibility and promote additional rental opportunities for lower-income households, with a focus on housing stability for the most vulnerable residents of Burbank.

RESIDENT ADVISORY BOARD (RAB)

QUESTIONS AND ANSWERS

February 18, 2026

Q: A member of the public asked whether there will be future voucher issuance and whether the waiting list may open in the future.

A: Staff explained that future voucher issuance depends on federal funding, and current funding is not sufficient to pull applicants from the waiting list at this time.

Q: A member of the public asked whether Emergency Housing Vouchers (EHV) can be converted to regular Housing Choice Vouchers (HCV).

A: Staff explained that the Housing Authority is working on a plan/request, but it has not been approved by HUD. No announcement can be made until approval is received.

Q: A member of the public asked whether domestic violence victims and persons with disabilities have special consideration.

A: Staff referenced Violence Against Women Act (VAWA) protections and advised the member to speak with their caseworker for case-specific guidance.

Q: A member of the public asked how the public can help support continuation of voucher assistance.

A: Staff encouraged the public to attend the upcoming public hearing and to contact legislative representatives and HUD to share concerns.

Q: A member of the public asked what will happen to EHV participants if the program ends and whether there is a plan in place.

A: Staff explained that letters were sent to EHV participants advising that the program is expected to end and identifying available services. Staff also explained that the Housing Authority is working on a plan, but it is not yet approved.

Q: A member of the public asked whether EHV participants should apply to other Section 8 waiting lists in other jurisdictions.

A: Staff advised that members of the public may apply for voucher programs in other jurisdictions where there is an opening and they qualify.

Q: A member of the public asked about the likelihood of HUD approving EHV conversion to regular Housing Choice Vouchers.

A: Staff explained that they could not predict what HUD will approve and that the Housing Authority is waiting for HUD's decision.

Q: A member of the public asked why the Burbank Housing Authority cannot use all vouchers allocated to the City.

A: Staff explained that local rental costs are high, which increases program expenses and limits how many vouchers can be funded with available funding.

Q: A member of the public asked whether rent control or state law limits apply to Section 8 rent increases.

A: Staff explained that landlords must comply with applicable California law, including AB 1482 where applicable, and that allowable rent increases are subject to applicable legal limits.

Q: A member of the public asked, in a worst-case scenario, what the transition process would look like if EHV conversion is not approved.

A: Staff explained there is a plan, but details could not be shared at that time. Staff further explained that if conversion is approved, participants would complete an eligibility process, with the goal of a smooth transition. Staff also noted there is a temporary plan if conversion is not approved.

Q: A member of the public asked when any EHV transition process might take place if approved.

A: Staff stated the goal is for the process to occur before October.

Q: A member of the public asked whether a landlord must accept a participant if an EHV is converted to a HCV.

A: Staff advised that HCV participants are a protected class and landlords may not discriminate on that basis. Staff also explained that if a landlord does not renew tenancy, evictions would still require lawful just cause requirements.

Q: A member of the public asked whether landlords may be increasing rents because tenants have Section 8 assistance.

A: Staff explained that the Housing Authority could not speak to a landlord's intent. Staff also explained that landlords may increase rents if they are in compliance with applicable laws and program requirements. Staff further explained that the rent increase requests are reviewed for compliance and rent reasonableness, and that landlords must provide supporting documentation, including comparable rents.

Q: A member of the public asked how the public is notified when the Section 8 waiting list opens.

A: Staff explained that waiting list opening information is posted publicly, including on the City website, in newspapers, and through social service agencies.

Q: A member of the public asked about payment standards and whether they vary by area.

A: Staff explained that payment standards vary by ZIP code and advised the member to contact their caseworker for specific information.

Q: A member of the public asked whether a participant with a one-bedroom voucher may rent a two-bedroom unit.

A: Staff advised that a participant may rent a two-bedroom unit with a one-bedroom voucher and to follow up with their caseworker for case-specific information.

Q: A member of the public asked whether it is allowed for another tenant in the same building to pay lower rent.

A: Staff explained this may occur and may be justified by differences such as unit amenities, or renovations, if supported by documentation.

Q: A member of the public asked whether the Housing Authority has a list of available apartments/landlords.

A: Staff explained that the Housing Authority maintains a property listing for Section 8 participants, depending on landlord submissions, and that participants may request the listing from staff or their caseworker.

6. The PHA certifies that it will carry out the public housing program of the agency in conformity with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), Title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Violence Against Women Act (34 U.S.C. § 12291 et seq.), and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, the Violence Against Women Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs.
7. The PHA will affirmatively further fair housing, in compliance with the Fair Housing Act, 24 CFR § 5.150 et seq., 24 CFR § 903.7(o), and 24 CFR § 903.15, which means that it will take meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living

patterns, transforming racially or ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws (24 CFR § 5.151). Pursuant to 24 CFR § 903.15(c)(2), a PHA's policies should be designed to reduce the concentration of tenants and other assisted persons by race, national origin, and disability. PHA policies should include affirmative steps stated in 24 CFR § 903.15(c)(2)(i) and 24 CFR § 903.15(c)(2)(ii). Furthermore, under 24 CFR § 903.7(o), a PHA must submit a civil rights certification with its Annual and 5-year PHA Plans, except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document. The PHA certifies that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing.

8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module and/or its successor system: the Housing Information Portal (HIP) in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination based on age pursuant to the Age Discrimination Act of 1975.
10. In accordance with the Fair Housing Act, the PHA will not base a determination of eligibility for housing on marital status and will not otherwise discriminate because of sex.
11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, 'Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped' for people with physical disabilities.
12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
13. The PHA will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implement the regulations at 49 CFR Part 24 as applicable.

16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
17. The PHA will keep records in accordance with 2 CFR 200.302 and facilitate an effective audit to determine compliance with program requirements.
18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.
20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
