

## North Hollywood to Pasadena Bus Rapid Transit Project

Construction Notice: Utility Exploration – Burbank: Glenoaks Bl/Providencia Av

September 2025

**Summary:** The North Hollywood to Pasadena Bus Rapid Transit (BRT) Project is part of Metro’s plan for better transit. This project will connect the cities of Los Angeles (North Hollywood and Eagle Rock communities), Burbank, Glendale, and Pasadena through a new zero-emission BRT service while improving access to jobs, education, and other important destinations.

At the start of September 2025, crews began preliminary activities in Burbank to prepare the roadway for construction. These activities included locating and identifying underground utilities. This notice describes the work at Glenoaks Bl and Providencia Av.

**When:** Anticipated to occur as early as September 19, and no later than September 22, 2025 for one day only. A map showing specific dates for work in each area of Burbank may be found at [bit.ly/BurbankPreconstruction](https://bit.ly/BurbankPreconstruction). Crews may return in Fall 2025 for additional work.

### Locations:

Glenoaks Bl

- Lane reductions in both directions on Glenoaks Bl between Santa Anita Av and Cedar Av.
- Temporary right turn restriction on Glenoaks Bl onto eastbound Providencia Av.

### Work Hours:

- Work will occur Monday through Friday from 8am to 4pm.

### What to Expect:

- Potholing consists of boring a hole through the roadway or sidewalk to locate underground utilities. Once an underground utility is located, the hole is filled back in. Noise and minimal vibration are expected.
- Signs and flaggers will direct traffic, cyclists, and pedestrians through open lanes, sidewalks, or crosswalks.
- One lane will be open to traffic at all times unless otherwise noted above. Work will not occur in each area simultaneously and lanes will reopen at the end of each workday.
- Access to sidewalks, crosswalks, and businesses will be maintained.
- Temporary parking restrictions will be posted in the immediate work area.

### Noteworthy:

- Construction is dynamic and schedules are subject to change.
- Metro bus stops may be relocated or lines could be impacted. For information changes to Metro service, please call 323.GoMetro.
- To receive electronic updates or to learn more, please visit the project website at [metro.net/nohopasbrt](https://metro.net/nohopasbrt).
