for Employees and Customers**

ACCESS TO BUSINESSES

Pedestrian access for employees and customers to Downtown Burbank businesses will remain open and accessible to the public throughout the event. Tickets are only required for the designated Watch Party areas shown on the event map. No special access or passes are needed for you or visitors to access your business during the event.

DELIVERIES AND VENDOR ACCESS

Businesses are encouraged to plan ahead for deliveries and vendor access due to scheduled street closures. Closures will begin as early as Thursday, July 16, with additional closures beginning Friday, July 17, and continuing through approximately 9pm on Monday, July 20. When possible, deliveries should be scheduled outside of the closure periods to help minimize disruptions. Additional closure details are included on the flyer below.

PARKING

All Downtown Burbank parking structures and lots will be used for the Fan Zone event on July 18 and 19. Some parking lots will have a fee of \$20 to \$25, with advance purchase options available at <https://fanzone.dtnbur.com/>. Free parking will also be available at Burbank Town Center and on some surrounding public streets on a first come, first served basis.

BUSINESS OPPORTUNITY

We anticipate 15,000 to 20,000 visitors throughout the weekend, creating an ideal economic opportunity for Downtown businesses. We encourage businesses to prepare for increased customer traffic, provide fan zone related specials and discounts, and take advantage of the additional exposure the event will bring.
