

Burbank SWAT Sniper Training Plan / Summary July 9, 2026

Training Plan

Monthly Topic: Overwatch / Large Venue Shooting (Prep for FIFA Fan Zone)

Schedule:

Thursday, July 9, 2026 (0600-1600 hours)

0600-0700: Monthly Qualification Shooting

Qualification includes: Cold Bore Shot, Multi-target engagement, speed rings, positional shooting. All targets must be hit within acceptable zone in acceptable time. No misses allowed. All passed.

*Ofcs. Randall, Munn, and Timlin attended training and are assisting SWAT Snipers for the FIFA Fan Zone event. All three will be deploying in a operator/spotter role and will be paired with a certified sniper for the event.

0700-0800: Long Distance Shooting

Snipers practiced "dope" work with long distance shooting

0800-1000: Spotter/Shooting Team Work

Spotters were given various targets. Spotters worked together to guide shooter from target to target before engaging on the correct target. All passed.

1000-1100: Close Distance Bullet Drop Testing

Snipers engaged target from 50/30/10 yards to assess bullet drop. Spotters used the SWAT rifles with LPVO capabilities.

1100-1200: Admin Meeting/Working Lunch

1200-1300: High Angle Shooting

Sniper/Spotter Teams engaged various targets from top of hillside, simulating an engagement during an overwatch detail.

Burbank SWAT Sniper Training Plan / Summary July 9, 2026

1300-1500: Issue new tri-pods, bags. New equipment testing and gear maintenance.

1500-1600: Clean up range, return to BPD.
