

FOR BURBANK CITY COUNCIL

DAVE GOLONSKI

Age: 54

Occupation: Burbank City Councilmember

During this time of economic challenges and significant changes in upper-management, including the selection of a new city manager, Burbank needs experienced and knowledgeable leadership more than ever. I am proud to have played an integral role in ensuring our city has had balanced budgets with responsible economic policies, and will continue that tradition. Burbank offers an excellent quality of life to its residents and I will continue to work hard by making thoughtful and prudent decisions to keep it that way. I have the experience needed to make sure Burbank remains strong while retaining the small town atmosphere that we cherish.

My priorities are:

- Balancing the budget without cutting vital services
- Recruiting an experienced city manager with excellent leadership skills
- Increasing infrastructure investment, in particular, improving the condition of our streets
- Pursuing prudent environmental practices
- Diversifying our economic base
- Maintaining vital youth, senior and recreation programs
- Reducing traffic congestion by improving traffic signalization system
- Preventing airport expansion
- Partnering with Burbank Schools
