

FOR MEMBER OF THE CITY COUNCIL

JESS A. TALAMANTES

Age: 60

Occupation: Burbank City Councilmember

I would like to start by saying Thank You to the Burbank voters for having the confidence in me to represent you these past four years. I was honored to have served as your Centennial Mayor, as we celebrated our city's 100th Anniversary!

As a longtime resident of this wonderful city, I have had the opportunity to attend Burbank schools, raise my family and provide over 35 years of community service in my professional, public and private life.

My years working as a Firefighter and serving on numerous boards and commissions, combined with the past four years as a City Councilmember, have provided me the frontline experience necessary to make tough decisions during these challenging economic times.

Through responsible leadership, fresh thinking and a common sense approach, I will maintain Burbank's safety, youth, senior and city services; while protecting our community's quality of life and business environment through economic policies that are fiscally responsible and sustainable.

With your vote, I would be honored to represent you and continue to work on your behalf, on **your** City Council.

Thank you for your consideration.
