

BURBANK COMMUNITY PROFILE

General

The City of Burbank, California is located in the greater metropolitan Los Angeles area, approximately 12 miles northeast of the Los Angeles Civic Center complex. The economy represents a diverse blend of industrial, commercial and residential development. Burbank is an established community that experienced very little population growth in the late 1970's, modest population growth in the early 1980's, and steady population growth during the last two and a half decades.

The City was incorporated as a general law city on July 8, 1911, and adopted its city charter on January 13, 1927. Burbank is administered by a Council-Manager form of government. The five City Council members, of whom one serves as Mayor, are elected at-large for four-year terms. Elections are staggered at two-year intervals.

Municipal Government

As of June 30, 2016, the City employee population is 1,554 with 1,144 full-time, 186 part-time, and 223 temporary employees. Six associations represent the City's employees: the Burbank City Employees' Association (BCEA), the Burbank Fire Fighters Association (BFF), the Burbank Fire Fighters-Chief Officer's Unit (BFF-COU), the Burbank Police Officers' Association (BPOA), the International Brotherhood of Electric Workers Local 18 (IBEW), and the Burbank Management Association (BMA). In addition, there are approximately 80 non-represented management employees. All of the associations are subject to the Mayors-Millias-Brown Act, which requires each association to meet and confer with the City in an effort to develop a "memorandum of understanding" (MOU). Negotiations with each group are conducted prior to the adoption of the

annual budget each fiscal year or the expiration of the applicable memorandum of understanding. The City completed multi-year contracts with IBEW, BCEA, BPOA and BFF. Negotiations with BMA and BFFCOU are currently underway.

Population

The following table summarizes the California Department of Finance estimates of population from 2006 through 2016. The population has grown at a fairly steady rate and accounts for a two percent increase over this ten year time period.

BURBANK COMMUNITY PROFILE

CITY OF BURBANK POPULATION

<u>Year</u>	<u>Population</u>
2006	103,060
2007	103,121
2008	103,098
2009	103,116
2010	103,340
2011	104,405
2012	104,653
2013	104,410
2014	104,656
2015	104,815
2016	105,110

Industry and Employment

Burbank’s major employers represent a variety of interests such as entertainment, aviation, medical care, education and media related industries. In the past, employment was concentrated in the aerospace industry. Lockheed, a major aerospace employer, relocated out of the Burbank area in the 1990’s, along with some related auxiliary component manufacturers. The sites of these firms have largely been redeveloped into various industrial and commercial uses and are located within close proximity to the Burbank Bob Hope Airport.

Today, the entertainment industry represents the greatest concentration of non-manufacturing industrial employment. The production facilities of Warner Bros. Studios and The Walt Disney Company place Burbank in a leading role in the Southern California entertainment industry. Along with the entertainment giants, a recent California report noted that Burbank has over 1,000 media-related companies with links to the industry, employing over 24,000 employees. In addition to Warner Bros, Studios and The Walt Disney Company, Burbank is home to ABC Inc., Nickelodeon, Cartoon Network, DC Comics, Legendary Entertainment, New Line Cinema, iHeart Radio, and KCET.

BURBANK COMMUNITY PROFILE

Warner Bros. Studios ranks among the largest employers within the county, and is currently the top employer within the City of Burbank. It is a vertically integrated company with businesses ranging from motion picture production (both live action and animation) and TV series tapings. Other entertainment companies that have a large employment base in Burbank include The Walt Disney Company, Deluxe Shared Services, ABC Inc., and Nickelodeon Animation. Providence St. Joseph Medical Center, Hollywood Burbank Airport, Burbank Unified School District, City of Burbank, and Crane Co. round out the top 10 employers and provide service and product diversity.

The following table highlights some of the major employers within the City of Burbank.

Company Name	No. of Employees	Products/Services
Warner Bros. Entertainment, Inc.	5,000	Entertainment
The Walt Disney Company	3,900	Entertainment
Providence St. Joseph Medical Center	2,850	Medical
Hollywood Burbank Airport	2,200	Aviation
Burbank Unified School District	1,800	Education
City of Burbank	1,600	Government
Deluxe Shared Services	1,540	Entertainment
ABC, Inc.	951	Entertainment
Nickelodeon Animation	602	Aerospace
Crane Co. Hydro-Aire Division	594	Entertainment

BURBANK HISTORICAL TIMELINE

The area now known as the City of Burbank is comprised of two separate land grants: a portion of *Rancho San Rafael* bestowed upon Jose Maria Verdugo by the Spanish government in 1798 as a reward for his military service; and *Rancho La Providencia*, a Mexican land grant of 4,600 acres.

YEAR EVENT

1857 The Verdugo family sells a portion of their land to Jonathan R. Scott, the first American to own land in the Rancho San Rafael portion of Burbank.

1867 Dr. David Burbank, a dentist from Los Angeles, purchases over 4,000 acres from Jonathan Scott and the 4,600 acres of Rancho La Providencia. This property supports a successful sheep ranch.

1887 The Providencia Land, Water and Development Company purchases Dr. Burbank's property. The place known as Burbank came into existence May 1, 1887. Several farms produce peaches, melons, grapes, and vegetables, along with approximately 30 residences, a hotel and a business district.

1888 Burbank falls victim to land speculation resulting in a development standstill for the next two decades.

1910 San Fernando Road is paved.

1911 Voters approve incorporation by a vote of 81 to 51 on July 8. A Board of Trustees will govern the community which now numbers 500 residents. The first Pacific Electric streetcar rolls into town on Glenoaks Boulevard from neighboring Glendale.

1916 Additional bonds are issued to build a city hall and electric light works, and to acquire fire apparatus.

1927 The Board of Freeholders, a 15-member elected body, draws up the City Charter. Voters adopt the Charter in a Special Election, and it becomes effective January 13.

1929 The stock market crash reaches Burbank, halting the economic boom and extending into the Depression through the mid-1930's. Increased employment at Lockheed Aircraft and construction work created by the Metropolitan Water District helped improve economics.

1943 Dedicated on Lincoln's birthday to "freedom and justice", City Hall is a tribute to the architecture of the time incorporating marble, wood, bronze and ornate decoration and carried out the theme of patriotism and the war effort. The new City hall replaced the existing building located across the street on the property formerly occupied by the Police station.

WWII Lockheed produces over 19,000 planes for the nation's war effort, employing 94,000 as the population reaches 53,899 by 1943.

BURBANK HISTORICAL TIMELINE

1950 Burbank's prosperity continues with new housing tracts resulting in a population of 78,577.

1961 The City celebrates its 50th anniversary, including the conclusion of a 10-year capital improvement program, resulting in many new municipal facilities.

1967 The San Fernando Golden Mall is dedicated in November to revitalize the business district.

1968 Voters approve a capital improvement program for upgrading park and library facilities, street beautification and street lighting.

1969 The Redevelopment Agency is formed with Burbank's first redevelopment project area, the Golden State Redevelopment Project Area.

1973 Due to demographic changes in the community, the needs of senior citizens are recognized. The Joslyn Adult Center is completed, as is the Retired Senior Citizens Volunteer Program (RSVP), the Nutrition Program and Transportation Services.

1974 The Burbank Housing Authority is established.

1977 The impact of Proposition 13 is felt in Burbank as the state dealt with the ramifications of maintaining service levels expected by the community. Burbank opts to cut some services by implementing user fees for specialized services.

1978 After lengthy negotiations, Burbank enters into a Joint Powers Agreement with the cities of Glendale and Pasadena, purchasing the Airport from Lockheed.

1982 Burbank Recycle Center opens and kicks off a curbside recycling program, one of the first in the state.

1985 In collaboration with the Burbank Redevelopment Agency and local developer Vic Georgino, the AMC Theatre (AMC) project was approved in 1985. By its completion in 1987, the AMC development became the economic engine for Downtown Burbank. The sleepy and deteriorating Downtown transformed into a true destination location. After a mere ten years in operation, the AMC underwent another significant redevelopment due to customer demand, technology advances, and changes in the industry. It has since become one of the nation's top-producing AMC locations. While the original project evolved, AMC's presence and vital role in Downtown Burbank has only grown stronger. It was the catalyst for much of the reinvestment in Downtown, and it continues to be the "heartbeat" of Downtown Burbank's popularity.

1987 The Public Information Office produces live, televised coverage of all City Council meetings via local public access channel. Since then, additional meetings and specialized programs have been produced to keep the community current on relevant issues.

1989 Voters adopt Measure One – a residential growth management ordinance and San Fernando Boulevard is reopened to allow through traffic in the downtown area.

BURBANK HISTORICAL TIMELINE

1990 Lockheed announces closure of its Burbank facility.

1992 The Burbank Regional Intermodal Transportation Center, now renamed as Downtown Burbank Station (DBS), opens in October, serving as a Metrolink station and is the second busiest destination within a five-county Metrolink commuter rail system.

1996 The City Hall Building is placed on the National Register and the California Register of Historic Resources.

1998 A state-of-the-art Police/ Fire facility opens in January, reflecting a continued commitment to provide the highest quality public safety services to the citizens of Burbank.

1999 In the spring of 1999, construction of the Media Village on the southwest corner of Magnolia Avenue and Third Street was completed. The project contains 147 senior housing units, and 55,000 square feet of ground floor retail.

2001 Stough Canyon Nature Center located in the Verdugo Mountains offers opportunities for the public to learn more about the wildlife, flora, fauna, and habitat in this area of Los Angeles County through planned activities, exhibits and nature hikes. The Nature Center offers seasonal nature day camp sessions for youth and an active docent program.

The Burbank Empire Center opens. Some of the restaurants and retailers include: Target, Lowe's, Best Buy, Michael's, Costco, Marshall's, Olive Garden and Outback Steakhouse.

2002 Buena Vista Library opened in December. The Burbank Empire Center continues to grow with the Extended Stay America and the Marriott Courtyard.

BURBANK HISTORICAL TIMELINE

2003 The construction of Phase I of the Burbank Entertainment Village (AMC) theater project is completed and opened in mid-June. In addition, the Burbank Civic Plaza project and Burbank Village Walk commenced construction.

The City Councils of Burbank, Glendale and Pasadena approved the renaming of the Burbank-Glendale-Pasadena Airport to Bob Hope Airport in honor of the legendary entertainer.

2004 The Chandler Accessway/Bikeway completed construction and celebrated its grand opening July 2004. The project involved the construction of a four-mile bikeway within the former Chandler Boulevard railroad right-of-way connecting Burbank with the North Hollywood Metro Red Line Station. A Tree Planting Ceremony was held in May 2004, honoring the generous residents of Burbank who donated money for the trees that were installed along the bikeway.

The first phase of the Peyton-Grismer housing rehabilitation project was completed with 70 rehabilitated units, an activity center, and the future administrative center of the Burbank Housing Corporation. It was modeled after the successful Elmwood Achievement Center. As part of the rehabilitation, several units were expanded to provide two and three-bedroom units to accommodate larger families. The Burbank Housing Corporation's Children's Center opened its doors in March 2004, with 92 spots (18 designated as affordable).

2005 The grand opening of the Senior Artists Colony was held in April 2005. This one-of-a-kind 141-unit senior housing facility was designed for seniors with interests in the arts. In addition, 45 of the 141 units were made available at affordable rents. Programs were coordinated utilizing such amenities as a 45-seat theatre, gallery space, and two studios. The pool, health club, library and grassy areas were used for outdoor activities such as tai chi. The activity and administrative center of the Burbank Housing Corporation began operations in September 2005. The activity center provides programs and activities for the community with an emphasis in building healthier families and connecting residents to the larger community.

The Burbank Civic Plaza celebrated its grand opening in July 2005. The development consists of 71,000 square feet of office space, and 12,000 square feet of retail front space comprised of Wells Fargo Bank and Kinko's/FedEx.

Burbank Village Walk, a mixed-use residential and retail project was constructed. The retail component opened for business in Fall 2005 and includes Wokano, an Asian fusion restaurant, and Story Tavern. The residential component includes 140 homes with 14 affordable units. The final phase of the residential component was completed in late 2005.

BURBANK HISTORICAL TIMELINE

On June 2, Burbank Water and Power held its dedication ceremony to celebrate the completion of its Magnolia Power Project (MPP), a 310-megawatt state-of-the-art natural gas-fired power plant. Six local cities worked together to make this project a reality: Burbank, Anaheim, Cerritos, Colton, Glendale, and Pasadena.

The City started offering free Wi-Fi service in the downtown area.

2006 “The Collection,” an \$80 million multi-use development in Downtown Burbank began construction in March 2006. This project completed phase II of the Burbank Entertainment Village, with 118 residential units, 40,000 square feet of retail and restaurant space, and 700 parking spaces.

In May 2006, the Council approved renaming the Buena Vista Child Care Facility and Family Resource Center to the Mary Alice O’Connor Family Center. This facility occupies the former Buena Vista Library lot.

2007 Work for the Burbank Boulevard Beautification project started in July 2007 and was completed in March 2008. Also, the California Department of Transportation (Caltrans) began construction of a new freeway on-ramp from Alameda Avenue just east of Hollywood Way to the westbound Ventura Freeway (SR-134). This project continued from May 7 to mid-2011.

2008 The highly anticipated 3-story Community Services Building (CSB) was completed and ready for occupancy in July 2008. Its new occupants (Park, Recreation and Community Services, Public Works, Community Development, and the Public Information Office) moved in during July. The CSB features a One-Stop Permit Center, community room, traffic management center and features various art elements. The building aims to achieve a Silver Level Leadership in Energy and Environmental Design (LEED) rating which encourages global adoption of sustainable green buildings.

In 2008, Burbank was awarded the prestigious 100 Best Communities for Young People designation by America’s Young Promise Alliance.

2009 On January 5, 2009, the newly renovated DeBell Golf Clubhouse was opened to the public. The Clubhouse offers 13,760 square feet of recreational area which includes an upper level bar and grill, patio dining, a community room, restroom facilities, lounge areas, a kitchen and administrative offices. The facility also maintains a welcoming pro shop, starter area and golf cart storage on the lower level. June 2009 marked the 50th anniversary of the DeBell Golf Course.

BURBANK HISTORICAL TIMELINE

The Robert "Bud" Ovrom Park, named after Robert R. "Bud" Ovrom who served as Burbank's City Manager from 1985 to 2003, was completed in April 2009. The one acre recreation facility provides a 7,000 square foot building with a community room, kitchen, two separate children's play areas, a lighted basketball court, picnic/barbeque areas, a reception area and public restrooms. The park is part of an ongoing revitalization project of South San Fernando Boulevard which is the main corridor to Downtown Burbank.

2010 On January 22, 2010, the new Five Points Art Monument featuring Dr. David Burbank, the City's founding father, was unveiled. The occasion also commemorated the internment of the City of Burbank's 2009 time capsule. Funding for the art installation was provided by the Public Art Fund and the Burbank Redevelopment Agency. The monument is recognized as a gateway public art project.

2011 The City of Burbank launched its yearlong Centennial Celebration commemorating the 100th anniversary of its incorporation date on July 8, 2011. A variety of events and activities took place throughout the year, offering community members "100 Ways to Celebrate Burbank." The celebration kicked off on New Year's Eve 2010 with a Burbank Centennial-themed Rose Parade float honoring our past, present and future. Other highlights during the City's centennial year include the publication of a Burbank centennial book; a Centennial Family Movie Night at the Starlight Bowl sponsored by the Walt Disney Company; the kick-off of the "Let's Move!" Burbank initiative to promote healthy lifestyles for children; and a spectacular Incorporation Day celebration in Downtown Burbank on July 8, 2011, which featured an air parade, six stages with live music, and culminated with a stunning fireworks display behind City Hall.

In March 2011, construction began on the Keeler/Elliott Homeownership Development, an eight-unit affordable housing development built in partnership with the Burbank Redevelopment Agency, Habitat for Humanity of Greater Los Angeles, and the Burbank Housing Corporation. The effort included construction of seven new townhouse units and rehabilitation of an existing single family home, which on December 17, 2011 was officially designated as "Centennial House" for the community-wide effort in its renovation. The development strengthens and revitalizes the Peyton-Grismer Focus Neighborhood.

On November 29, 2011, a sculpture sent by or Sister City of Incheon, Korea was unveiled in celebration of 50 years of friendship. The set of twin statues are installed in the front of the Northwest Branch Library.

BURBANK HISTORICAL TIMELINE

On November 14, 2011, the Burbank BikeStop opened. As of 2013, the City has 75 registered users. The BikeStop is a high-capacity indoor bicycle parking facility located at the Downtown Burbank Metrolink Station. The facility is designed to meet the growing demand of commuters that bike to and from transit. The Burbank BikeStop helps the City promote a healthier, more sustainable Burbank.

2012 On February 1, 2012, all redevelopment agencies in California were dissolved as part of AB1X 26, signed into law by Governor Brown. Much of the development in Burbank was spearheaded by the former Burbank Redevelopment Agency. Major Redevelopment projects include: the Police/Fire Headquarter, the Mary Alice O'Connor Family Center, Colony Theater, Ovrom Park as well as many other infrastructure, streetscape and revitalization projects. Redevelopment's footprint can be seen all throughout the City of Burbank.

On December 7, 2012, the two-million-gallon Equalization Basin Project at the Water Reclamation Plant was selected as a Project of the Year by the American Public Works Association of Southern California. Completion of the project increased plant capacity from 9 to 12.5 million gallons of water per day, capturing peak daytime flows for treatment during nighttime low flow hours, providing more reclaimed water for irrigation and other reuse, thus decreasing the City's dependence on imported water.

2013 The City Council adopted the Burbank2035 General Plan on February 19, 2013. The long range document outlines policies and programs to achieve economic growth balanced with conservation of residential neighborhoods.

The Verdugo Aquatics Center officially reopened to the public on June 8, 2013. The facility features a 50-meter pool which can be configured for lap swimming or recreational use. One-meter and three-meter diving boards are available for use during recreational swim times.

Construction to seismically retrofit the Northwest Library was completed in June 2013. The nearly 41 year old library has been closed since August 1, 2012, while work crews completed extensive seismic renovations and improvements to make the building comply with the Americans with Disabilities Act (ADA).

Excavation of the Reservoir Number 1 structure was completed and placed in service in November 2013. This water utility project replaced a vintage 1928 obsolete and leaky reservoir near the intersection of Sunset Canyon and Magnolia Boulevard.

2014 The largest IKEA in North America, a 470,000 square feet retail establishment, was approved by the City Council in March 2014. The new store is slated to open in 2017 and will:

- Increase employment by 25%, from 365 to 450 jobs,
- Carry a wider selection of products; and
- Enhance property values in the South San Fernando area and adjacent Downtown Burbank.

BURBANK HISTORICAL TIMELINE

Nickelodeon expanded its presence in Burbank by uniting their Los Angeles operations to The Burbank Studios at 3000 West Alameda Avenue. In March 2014, Nickelodeon received approval to add a new 114,000 square foot five-story building adjacent to their existing animation studio on Olive Avenue. Once the construction of the new building is complete, Nickelodeon will increase their total employment in Burbank from 300 employees to 740.

The Burbank-Glendale-Pasadena Airport Authority celebrated the grand opening of a new \$112-million transportation center at the Hollywood Burbank Airport in June of 2014. The 520,000-square foot facility offers three levels with more than 1,000 parking spaces, 11 car rental companies and a 19-foot-high covered walkway with moving sidewalks, leading to the airport terminals.

Talaria at Burbank, a mixed-use residential project, was approved by City Council in October 2014. Talaria at Burbank will be an energy-efficient, sustainable, state-of-the-art development located in

the heart of Burbank's Media District, and will be the first LEED-certified "green" residential building in the city. This mixed-use project will bring 241 residential units and a 42,950 square-foot Whole Foods Market, adding 175-250 jobs once completed.

2015 Burbank's first SpringHill Suites by Marriott opened in Summer 2015. This boutique-style hotel features 170 rooms with several amenities including a pool and business center.

From July 21 through July 24th, the City of Burbank opened its doors as a Host Town for the Special Olympics World Games Los Angeles 2015. Burbank was proud to host the delegations from the countries of Zimbabwe and Botswana. The Host Town program is a very special week long program that takes place prior to the Opening Ceremony of the Special Olympics World Games. At their Host Towns, delegations of athletes from around the world were welcomed and celebrated.

In December 2015, the City of Burbank completed its first affordable housing development for United States Veterans affected by homelessness. Built in partnership with the Burbank Housing Corporation and New Directions for Veterans, the Burbank Veteran Bungalows includes 11 fully rehabilitated and furnished apartments.

The goal of the program is to combat Veteran homelessness by providing affordable and support services that will enable them to become independent and productive members of the community.

BURBANK HISTORICAL TIMELINE

2016 On October 22, 2015, Tesla Motors opened its doors in Burbank to a new 27,600 square foot facility for the sale, delivery, repair, and maintenance of Tesla’s new and used electric vehicles. The center also has a 2,400 square foot showroom for up to three vehicles, branded merchandise for sale, and six supercharging stations with a 24-hour lounge.

The City continued to study new design standards for single-family homes and implemented expanded community outreach through interactive walkshops (walking workshops through neighborhoods) and community meetings. Five guided walkshops were conducted in different locations throughout Burbank to solicit residents’ input. An interactive application was also available to let participants share their ideas, photos, and comments online. Hundreds of Burbank residents provided comments and observations about what makes a home compatible in a neighborhood. Results from the public participation are key in the development of the City’s Single-Family Design Guidelines and Zoning Code amendments.

In May 2016, the City adopted the Historic Sign Ordinance, amending the Zoning Code to provide clear procedures for properly addressing the treatment and restoration of historic signage. The Historic Sign Ordinance gives the City another tool to incentivize the preservation of Historic Signs that serve as a charming, visual connection to Burbank’s history.

In May 2016, City Council approved the renewal of the Tourism Business Improvement District (T-BID), operating as Visit Burbank. Originally established in 2011 and now in effect through June 30, 2026, Visit Burbank establishes Burbank as a competitive tourist destination in the ever-growing tourism market. The goal of the organization is to boost hotel occupancy while positioning Burbank as a national tourist destination. The annual budget of \$789,000 is generated from a one percent assessment on all hotel room night. The budget will be used towards marketing, sales promotions, and destination development to increase tourism.

Burbank continues to minimize community impacts caused by the construction of the Interstate-5/Empire Interchange Project that began in 2014 and works to ensure that the project stays on schedule. Staff have actively managed utility relocations, detours, and major bridge work to prepare the project for when the railroad bridge over Buena Vista Street and the future Empire Interchange opens and trains begin operating.

Staff worked with the City Council and the community to finalize a path alignment for Phase II of the Burbank Channel Bikeway, which will provide a new recreational facility for the community while enhancing the condition of the Burbank Western Channel and provide a direct non-motorized link to the Burbank Metrolink Station from Alameda Avenue. Regionally, the project would close a gap in the county-wide regional bicycle network by completing an inter-jurisdictional bikeway network between the Los Angeles River Bike Path and the Burbank Metrolink Station.

The Hilton Garden Inn is slated to open in October 2016. The new hotel is adjacent to the SpringHill Suites and will add a total of 210 hotel rooms to the City’s inventory.

BURBANK MAP

BURBANK FACTS

Population: 105,110

Housing: 43,941 households with a median sales price of \$736,400

Location: 12 miles northwest of downtown Los Angeles, 388 miles south of San Francisco, 106 miles north of San Diego - Accessible via the San Diego (405), Hollywood (101), Ventura (134) and Golden State (I-5) freeways

Altitude: 484 to 957 feet above sea level

Climate: Semi-arid with an average maximum summer temperature of 88 degrees and an average annual rainfall of 12.1 inches

Government: City Council-City Manager form of government

Demographics: African American 2.84%, American Indian/Alaska Native 0.48%, Asian Pacific 12.46%, Hispanic 23.98%*, White 71.75%, Other 7.47%

Income: Average household income \$82,504

Local Workforce: 101,341

Unemployment: 3.8%

Registered Voters: 63,400

Area: 17.155 square miles

Business Licenses: 11,500 business tax accounts and 950 regulatory business license and business permit accounts.

* As per the U.S. Census Bureau, the Hispanic population is calculated based on ethnicity and not a single-race class. The 23.98% listed is based on self-identified residents of Hispanic or Latin origin.

BURBANK FACTS

Libraries: Three locations open 156 hours per week serve 1 million users per year with a collection of more than 500,000 print and electronic items, free programs for all ages, public computers and wireless internet access, research and information assistance, and special services for low-literacy adults.

Parks & Recreation: Forty one public parks and recreation facilities including the DeBell Golf Course, Starlight Bowl Amphitheatre, Stough Canyon Nature Center, two municipal swimming pools, 22 tennis courts, four community centers, three gymnasium facilities, two adult 55+ centers, two theatres, an outdoor roller hockey rink and a skate park. Recreation and community programs include special interest classes, youth and adult sports, day camps and home delivered meals for seniors.

Streets: Approximately 228 miles of streets, 49 miles of paved alleys, 368 miles of sidewalks, 198 signalized intersections and 10 intersections with flashing signals.

Transportation: The City’s BurbankBus provides weekday fixed-route transportation services to Burbank residents and employees, connecting the Downtown Burbank Metrolink Station and the Metro North Hollywood Red Line / Orange Line Station to the city’s employment centers in the Media District and Airport area. The NoHo-Airport route provides all-day service between the Metro North Hollywood Station and Hollywood Burbank Airport, while the other routes provide peak-period service. BurbankBus also offers a demand-responsive Senior and Disabled transit service that provides direct, curb-to-curb transportation to any destination within the City for Burbank’s senior and disabled residents.

Police/Fire Services: The Police/Fire headquarters is located at Third Street and Orange Grove and five fire stations are located throughout the City.

REVENUE/APPROPRIATION COMPARISON WITH OTHER CITIES

The following revenue information was collected from our comparison cities. Glendale and Pasadena are used for comparison since they are similar in population size, demographics, are geographically close, and are full service cities (i.e., their own police and fire departments as well providing electrical, water and wastewater services).

The primary General Fund revenue sources in Burbank (Sales Taxes, Property Taxes and Utility Users Taxes), are also the top three categories in Glendale and Pasadena.

Different cities levy different rates for Utility Users Taxes (UUT) and include different services as the tax basis. For example, Burbank levies a 7% UUT on electric sales, telephone usage (both landlines and wireless) and natural gas services. Glendale's tax rate ranges from 6.5% to 7% for cable, electric, gas, telephone, and water services. Pasadena has rates ranging from 7.67% to 9.4% for cable, electric, gas, telephone, and water services.

FY 2014-15 Revenue Category	Burbank	Glendale	Pasadena
Property Taxes	37,850,370	28,566,000	53,951,000
Sales Taxes*	29,940,805	34,199,219	32,877,000
Motor Vehicle License	9,146,978	18,144,795	14,002,000
Transient Lodging	7,902,190	4,466,519	13,165,000
Franchise Taxes	1,813,529	2,779,970	2,903,000
Property Transfer Tax	718,734	1,132,471	1,263,000
Utility Users Taxes	19,311,823	27,766,160	29,316,000
Other Taxes	11,268,800	2,222,220	17,790,000
	\$ 117,953,229	\$ 119,277,354	\$ 165,267,000

*includes triple-flip payments

The most recent data for assessed valuations for FY 2015-16 reports the following valuations:

Assessed Valuation (\$000)	20,744,136	27,224,164	24,233,252
----------------------------	------------	------------	------------

The City's sales tax consultant, Hinderliter, DeLlamas and Associates provided taxable sales amounts for FY 2015-16 as follows:

Taxable Sales (\$000) FY 2015-16	2,668,433	3,590,000	2,854,900
----------------------------------	-----------	-----------	-----------

REVENUE/APPROPRIATION COMPARISON WITH OTHER CITIES

Another basis of comparison between other municipalities within Los Angeles County takes available budgetary information available via a printed budget document or through accessing the city website, and presents a financial comparison in terms of revenues and expenditures with a focus on General Fund. This table summarizes key general fund revenues: Property Taxes, Sales Taxes, Utility Users Taxes or the Other Taxes categories and indicates the total revenue base from all sources. The appropriations portion identifies the General Fund appropriations and total appropriations for each municipality. A ratio calculates the percentage of General Fund appropriations to total appropriations. The calculations use the comparison cities of Glendale and Pasadena. The last calculation takes the population base as of January 2016 (provided by the Department of Finance) since this was the basis in budget preparation for Fiscal Year 2016-17 and determines the per capita General Fund appropriation.

FY 2015-16 Budgeted Revenue/Appropriation	Burbank	Glendale	Pasadena
Population	105,110	199,182	141,023
REVENUES			
General Fund Total	164,162,293	185,666,560	225,756,214
Property Taxes	40,550,001	30,840,000	53,951,000
Sales Taxes	32,196,736	37,700,000	32,877,000
Utility Users Taxes	20,133,344	28,250,000	29,316,000
Other Taxes	10,229,735	11,000,000	17,790,000
All Revenue Total	606,323,303	770,366,605	1,038,056,196
APPROPRIATIONS			
General Fund Total	158,603,678	182,890,934	222,899,000
All Appropriations	650,146,788	797,829,593	892,113,864
Ratio General Fund Appropriations to Total Appropriations	24.40%	22.92%	24.99%
Per Capita - General Fund	\$ 1,509	\$ 918	\$ 1,581

PROFESSIONAL SERVICES AGREEMENT LIST

BURBANK WATER AND POWER

ACCO	\$3,500	General Air Conditioning Maintenance
Appliance Recycling Centers of America (ARCA)	\$100,000	Low-Income Refrigerator Exchange Program
Appliance Recycling Centers of America (ARCA)	\$37,000	Refrigerator Round-Up Program
Applied Controls Solutions, LLC.	\$24,000	Cyber Security Consulting
Arbor Nursery Plus	\$15,000	Made in the Shade program: tree costs (30% program cost)
Armorcast	\$100,000	Substructure rehabilitation consulting
ASCE	\$45,000	Engineering support
ASCE Consultants	\$100,000	Support and maintenance for Power Supply reporting tools
Avaya	\$50,000	Avaya software support agreement operating firmware support
Bond Logistix LLC	\$5,000	Bond Arbitrage Calculation
Bureau Veritas North America	\$318,885	Develop and implement a new BWP Safety Manual
CalTrol	\$45,000	Distributed Controls System (DCS) support and DeltaV (control software) Guardian Support Service for Emerson Products
CEMTEK	\$10,750	Daily verification of Continuous Emissions Monitoring System (CEMS) data
Cemtek Environmental	\$15,000	Continuous Emission Monitoring System (CEMS) support
Chuck Herron	\$50,000	Support for design of pole replacements
Citadel	\$10,000	Fleet Building Modification environmental services
Citadel Environmental Services	\$6,000	Environmental services to identify hazardous or toxic building materials associated with facility demolition work
Clifford Development Group Inc. (CDG)	\$75,000	Construction management of Fleet Building Modification.
Clifford Development Group Inc. (CDG)	\$5,750	Project management of Fleet Building modifications (Water Fund's share)
Coating Specialists and Inspection Services, Inc (CSI)	\$20,000	Coating inspections
Cooper Compliance Corp	\$68,250	NERC reliability standards (best practice)
Craig Crotty/Arbor Culture	\$35,000	Made in the Shade Program: arborist consultant costs (70% program cost)
Curtainwall Design Consulting (CDC)	\$1,150	Evaluate Fleet Building Modification design and construction for water proofing (Water Fund's share)
Duncan & Allen / George Kieffer (Manatt, Phelps & Phillips, LLP)	\$200,000	Legal services regarding Federal Energy Regulatory Commission (FERC)/electric regulatory/high voltage transmission rights
Dyna Electric	\$500,000	Install substructures for underground streetlight systems
Energy Exemplar	\$125,000	Production cost modeling support
Energy Northwest	\$1,036,000	Provide operations and maintenance services.
Energy Solutions	\$175,000	Upstream heating, ventilating, and air conditioning program
Engineering Economics Inc. (EEI)	\$1,438	Services of Fleet Building Modification mechanical systems (Water Fund's share)
Environmental Management Professionals, LLC.	\$30,000	Environmental regulatory compliance and permitting support

PROFESSIONAL SERVICES AGREEMENT LIST

Equifax	\$4,800	Credit scoring fees
Eurofins Eaton Analytical	\$30,000	Contract laboratory services
FCC/APCO	\$11,500	Online license modification site
Gate Idaho	\$46,512	Security remediation SCADA, Substations, OT Process improvements
Globalist	\$40,000	Website upgrades and maintenance
Globalist Internet Technologies	\$42,000	Web maintenance and hosting services
Goodwin, MacBride, Squeri, Day & Lamprey, LLP - John L Clark	\$30,000	Legal services in support of ONE Burbank - specifically related to telecommunications issues
Hanna and Morton	\$200,000	Southern California Generation Coalition (SCGC) - natural gas pipeline access, regulatory and rate proceedings at the California Public Utilities Commission (CPUC), and natural gas supply consulting
Haworth	\$50,000	Work station fixtures and equipment for the Fleet Building Modification
Haworth	\$2,875	Work station fixtures and equipment for the Fleet Building Modifications (Water Fund's share)
HMI	\$7,500	Abatement industrial hygiene (IH) monitoring to ensure employee safety during demolition of facilities containing lead and asbestos materials
ID Modeling	\$25,000	Distribution system hydraulic modeling
Incremental Systems	\$90,000	North American Electric Reliability Corporation (NERC) reliability standards training for BWP Operations staff
ITRON	\$30,000	Study to evaluate and improve the AMI radio network
ITRON (MDMS SERVICES)	\$50,000	Water meter reading system programming
Kennedy/Jenks	\$22,500	Burbank Operable Unit (BOU) cost consultant
KEVIN A SMOLA & ASSOCIATES INC	\$50,000	Engineering consulting for review of the cost and efficiency of the heating, ventilating, and air conditioning (HVAC) system in the BWP Administration Building and its use of recycled water as an energy source/sink for a system of water to air heat pumps
Kubra	\$52,000	Online billing, Interactive Voice Response (IVR) system, and miscellaneous program fees
Kubra	\$484,000	Bill print and mail services
Lanair NOC and Network Engineering	\$175,000	Remote network operations center services
Language Line	\$1,500	Translation Services
LAYLA LEYBA VALENZUELA	\$10,000	Horticultural consultations for selection, care, and treatment of plants and shrubs, including evaluation of irrigation, fertilization, pruning, and pest and disease control practices
Leverage Systems	\$35,000	Camera support after installation
Manatt, Phelps & Phillips, LLP / TBD	\$120,000	Greenhouse gas regulatory compliance at the state and federal level
Maxim Crane Works	\$75,000	Crane services
Modula	\$10,500	On call service for vertical lift modules
Moody KMV	\$17,000	Credit assessment analysis
Motorola Solutions	\$193,000	ICI (Inter-Agency Communications Interoperable) System maintenance

PROFESSIONAL SERVICES AGREEMENT LIST

Natural Resources Group, LLC.	\$75,000	Environmental compliance support
Neustar and Calea MRC Fees	\$30,000	Provide network assessment related to the Communications Assistance for Law Enforcement Act (CALEA) and Federal Communications Commission (FCC) rules. CALEA is required by the FCC for system security and integrity purposes
Norman Pedersen	\$30,000	To represent MPP's interests regarding So. Cal Gas Curtailments
NRG	\$73,000	Provide general environmental compliance support for MPP, such as storm water, air quality, and waste management activities
OATI	\$32,034	Services and support for wholesale energy transaction management
Open Access Technology Inc (OATI)	\$15,000	webCarb Greenhouse Gas report service
Opower	\$285,000	Home energy reports
OSIsoft	\$3,000	Plant Data Historian Software (PI) license
Pacific Integrated Handling	\$10,000	On site repairs and preventive maintenance for vertical lift modules
Parallon (formerly Outsource Group)	\$1,000	Collection services fees
Parkia	\$50,000	Substructure inspection consulting
Pivot Interiors	\$10,000	Work seating for the Fleet Building Modification
Pivot Interiors	\$690	Work seating for the Fleet Building Modifications (Water Fund's share)
Power Engineers	\$35,000	Provide protection relay engineering services for the test shop to support MPP relay maintenance
Proctor Engineering Group	\$250,000	Heating, ventilating, and air conditioning Tune-Up Program
PureTec	\$258,030	Demineralized water production
PureTec	\$23,720	Demineralized water production
Relay Application Innovation	\$80,000	Substation standards support
Resource Action Programs	\$61,000	LivingWise Educational Program
Richard Heath & Associates (RHA)	\$550,000	Business Bucks Program
RKI Engineering	\$27,000	Zero Liquid Discharge System (ZLD) and Programmable Logic Controller (PLC) programming and troubleshooting support
RKI Engineering	\$10,500	Training on the MPP Continuous Emissions Monitoring System (CEMS) computer interface
RKI Engineering	\$25,000	Human Machine Interface (HMI), Programmable Logic Controller (PLC), and Continuous Emissions Monitoring System (CEMS) support
RKI Engineering	\$50,000	Support and training for Continuous Emission Monitoring System (CEMS), Human-Machine Interface (HMI), and Programmable Logic Controller (PLC)
RKS Research	\$38,000	California Municipal Utilities Association (CMUA) statewide survey and BWP survey
Schulte Associates	\$125,000	Power Supply modeling support
SCPPA	\$10,000	BWP's share of SCPPA Projects
Sequoia	\$2,500	Collection services fees
SoftSmith	\$89,000	Annual subscription and software escrow fee, including Dynamic Scheduling integration
SSP Innovations	\$160,000	Support for Geographic Information System upgrade

PROFESSIONAL SERVICES AGREEMENT LIST

SSP Innovations	\$75,000	Work Flow Management (WFM)/Geographic Information System (GIS) support
Sylvir Consulting	\$40,000	Grant-writing services
Sylvir Consulting	\$10,000	State loan compliance services
TBD	\$50,000	Engineering Computer Aided Design (CAD) support for red-lined drawings and to enhance the document filing system (Sharepoint)
TBD	\$100,000	To study and design replacement landfill generation
TBD	\$45,000	Maintenance and supplies for the LM 6000 (Lake Unit) resulting from inspection findings and technical service bulletins from General Electric (GE)
TBD	\$60,000	Plant controls engineering support for DeltaV controls software and Distributed Controls System (DCS) and Guardian Support Service for Emerson Products.
TBD	\$200,000	Landfill microturbine and flare operations and maintenance
TBD	\$30,000	Selective Catalytic Reduction (SCR) and Carbon Dioxide (CO) catalyst testing for the Lake Unit, to accurately predict remaining catalyst life and the associated maintenance and replacement schedule
TBD	\$50,200	To provide cooling tower chemicals, as needed to maintain water chemistry in the Lake and Olive Units within acceptable operating limits and returning Olive units to service
TBD	\$13,680	Maintenance training on specific job tasks associated with BWP's power supply equipment
TBD	\$20,520	Operations training to maintain proficiency in the operations of the Lake Unit
TBD	\$30,000	Legal services on environmental issues
TBD	\$20,000	Arc Flash Mitigation Study
TBD	\$20,000	Controls engineering to provide essential services until recruitment is completed for a Controls Engineering position
TBD	\$70,000	Subject matter experts for power production restoration or regulatory compliance services
TBD	\$7,500	UPS Maintenance Service Contract
TBD	\$25,000	Halon Discharge Control System Replacement
TBD	\$30,000	Legal support for environmental compliance
TBD	\$25,000	Power Supply employee development
TBD	\$30,000	Risk management
TBD	\$30,000	Power Supply management and administrative training
TBD	\$28,750	Secure ID, RSA, Smart Cards
TBD	\$50,000	Electrification studies
TBD	\$75,000	Power Supply System Engineering support
TBD	\$65,000	Power Supply Systems integration
TBD	\$90,000	License, software and model updates, contingency analysis and scenario training for grid management
TBD	\$15,000	Update the BWP Continuous Emission Monitoring System (CEMS) Units Quality Assurance / Quality Control Plans

PROFESSIONAL SERVICES AGREEMENT LIST

TBD	\$100,000	Supervisory Control and Data Acquisition (SCADA)/Power Control System (PCS) optimization
TBD	\$15,000	Greenhouse Gas (GHG) reporting verification
TBD	\$250,000	Review and analysis of ECC Operational Tools (i.e. Supervisory Control and Data Acquisition Outage Management System Power Control System etc.) to determine current capabilities and necessity for upgrade or replacement
TBD	\$5,000	Arc flash labeling for stations
TBD	\$8,000	Equipment salvage and disposal
TBD	\$10,000	Consulting for improving operating practices
TBD	\$40,000	Engineering practices consulting to improve technical productivity
TBD	\$60,000	Perform underground conduit design
TBD	\$50,000	Pole loading calculation support
TBD	\$100,000	Temporary engineering staffing services
TBD	\$50,000	Substation Transformer Replacement design support
TBD	\$80,000	Bus differential relay upgrades at McCambridge and Flower design support
TBD	\$27,500	Switchgear room HVAC upgrades at San Jose and Clybourn design support
TBD	\$100,000	Design and specifications for distribution substation transformer backup
TBD	\$60,000	High voltage circuit breaker replacements design support
TBD	\$46,000	Support for design of transformer temperature monitor installation
TBD	\$175,000	Design support for Alameda site restoration
TBD	\$50,000	Substation document control
TBD	\$50,000	Study for substation automatic transfer schemes
TBD	\$100,000	Substation grounding studies
TBD	\$80,000	Support for design of transformer relay upgrades
TBD	\$330,000	Project engineering and design review support for capital projects
TBD	\$50,000	Joint-Pole Agreement processing support
TBD	\$30,000	Meters engineering consultant
TBD	\$4,998	Board Governance training
TBD	\$19,992	Legislative advocacy
TBD	\$19,992	Research and legislative advocacy
TBD	\$29,988	Utility management and advisory services
TBD	\$49,980	Management / organizational consulting
TBD	\$49,980	Recruitment
TBD	\$71,971	Federal advocacy services
TBD	\$5,000	Insight training
TBD	\$10,000	Legal fees
TBD	\$40,000	Financial management advisory services
TBD	\$25,000	Hyperion consulting
TBD	\$20,000	Internal audit services
TBD	\$10,000	Federal Energy Regulatory Commission (FERC) accounting and reporting consulting

PROFESSIONAL SERVICES AGREEMENT LIST

TBD	\$45,000	Work Asset Management consulting
TBD	\$180,000	Programming for customer communication during outages
TBD	\$25,000	Customer Payment Options
TBD	\$70,000	Meter Data Management System (MDMS) database
TBD	\$50,000	Enterprise Service Bus support
TBD	\$100,000	Billing application support
TBD	\$120,000	Meter data management system analytic support
TBD	\$200,000	Meter data management system operations support
TBD	\$800,000	Managed services for Customer Care and Billing (CC&B)
TBD	\$40,000	MV-web hosting to present internal data to large customers
TBD	\$25,000	Advance Meter Support
TBD	\$60,000	Systems support and design for high availability, fault tolerance architecture
TBD	\$3,263,000	SG-MDM Implantation Services
TBD	\$50,000	SG-MDM Capital Project Backfill Staffing
TBD	\$295,000	Customer Web Portal Capital Project - Implementation services
TBD	\$50,000	Customer Web Portal Capital Project - Backfill Staffing
TBD	\$5,000	Agency permits and fees
TBD	\$10,000	Fleet Building Modification inspections
TBD	\$5,000	Fleet regulatory emission compliance service
TBD	\$95,000	Engineering and consulting services for the Fleet Building Modification
TBD	\$5,000	Materials improvement planning
TBD	\$50,000	Security services for BWP off campus sites and
TBD	\$75,000	Professional physical / cyber security assessment
TBD	\$132,750	Campus master planning services to develop a new yard master plan that addresses space allocations and traffic flows (Electric Fund's share)
TBD	\$20,000	Civil engineering services for environmental compliance - to add secondary containment on older equipment
TBD	\$12,500	Annual training for asbestos awareness and safety training
TBD	\$5,000	Bicycle safety training program
TBD	\$15,000	Baseline monitoring and exposure record services for illness and injury prevention
TBD	\$20,000	Electrical safety training program
TBD	\$25,000	Electric Arc Flash Awareness and prevention
TBD	\$25,000	Training for Look Out and Tag Out (LOTO) for plant operations
TBD	\$25,000	Commercial drivers safety services
TBD	\$66,000	Develop and implement customized automated safety training courses to be used with the LMS (Target Solutions) safety training program
TBD	\$40,000	Professional services for development of a Pilot program for core strengthen and injury and illness prevention

PROFESSIONAL SERVICES AGREEMENT LIST

TBD	\$25,000	Safety Dashboard - interactive process to track safety metrics and provide easy access via computer
TBD	\$10,000	Employee wellness fitness training program for injury prevention
TBD	\$1,750	GardenSoft - Customer Landscape website
TBD	\$15,000	Recycled Water Conversion Assistance
TBD	\$5,000	Water Leak Assistance
TBD	\$90,000	Home Improvement Program
TBD	\$3,000	Landscape Classes
TBD	\$136,500	Home Water Reports
TBD	\$5,000	Single Family High Efficiency Toilet Incentives
TBD	\$7,500	Water Conservation Intern for summer construction work
TBD	\$44,000	Public Benefits Portion of Currents Newsletter Production
TBD	\$15,000	Community Events
TBD	\$650,000	Energy Solutions Rebate Program
TBD	\$250,000	Home Rewards Rebate Program and rebates management
TBD	\$680,000	Lifeline and other low-income programs
TBD	\$110,000	Solar Support Program
TBD	\$50,000	Load Management Initiatives
TBD	\$100,000	EV Charger Rebates
TBD	\$36,000	Solar support consulting
TBD	\$1,000,000	Home Improvement Program
TBD	\$3,000	Architectural Design Student Competition
TBD	\$15,000	Ember Tec Plug Load Device
TBD	\$15,000	Ice Bear Equipment Maintenance
TBD	\$50,000	Customer Relationship Management tool
TBD	\$10,000	Customer outreach campaigns
TBD	\$10,000	Development and business continuity disaster recovery
TBD	\$50,000	Database and systems architecture design
TBD	\$55,000	Support for systems integrations design
TBD	\$5,000	Pipeline tapping and tapping services
TBD	\$2,500	Concrete cutting , soil compaction testing, traffic plates or other construction related services or equipment
TBD	\$5,647,536	Burbank Operable Unit (BOU) Contract Operator
TBD	\$2,400	MWD Director
TBD	\$20,000	Consultant services for county, state, and federal regulations
TBD	\$50,000	Programmable Logic Controller (PLC)/Controls emergency and maintenance services
TBD	\$50,000	BOU legal services
TBD	\$2,530	Secure identification card implementation "smart card technology" (Water Fund's share)
TBD	\$17,250	Campus master planning services to develop a new yard master plan that addresses space allocations and traffic flows (Water Fund's share)

PROFESSIONAL SERVICES AGREEMENT LIST

TBD	\$25,000	Design/programming of valve actuators to close during a seismic event
TBD	\$30,000	Services and engineering to replace equipment and repair system failures
TBD	\$45,000	Review efficiency and replacement of aging pump and motor configuration at Valley Pumping Plant (VPP)
TBD	\$50,000	Linestops, tapping, welding or other fabrication needs on water pipelines
TBD	\$75,000	Granulated Activated Carbon (GAC) treatment plant and Valley Forebay reroofing
TBD	\$75,000	Integration of various operational technology systems - Enterprise Service Bus (ESB) to Customer Information System (CIS) and/or TC Technology
TBD	\$75,000	Secure identification card implementation "smart card technology" (Water Fund's share)
TBD	\$75,000	Campus master planning services to develop a new yard master plan that addresses space allocations and traffic flows (Water Fund's share)
TBD	\$5,000	Repair/Replace of unplanned equipment and system failures
TBD	\$10,000	MIMS Server Upgrade
TBD	\$30,000	Service Alert Upgrade
TBD	\$10,000	Map book to MIMS Mobile
TBD	\$20,000	Coating Inspection/Industrial Hygienists
TBD	\$5,000	Update CAD - Templates, Pallettes, Blocks
TBD	\$12,000	Repair/Replace of equipment and system failures
TBD	\$10,000	Recycled water conversion technical support
TBD	\$20,000	Programmable Logic Controller (PLC)/Controls maintenance
TBD	\$25,000	SCADA maintenance services
TBD	\$175,000	CEQA for Recycled Water
TBD	\$30,000	Third-party consultant to evaluate and provide recommendations for upcoming phone system upgrade
TBD	\$35,000	Environmental and regulatory legal services
TBD	\$50,000	Engineering support for maintenance and capital projects
TBD	\$75,000	Controls and machinery installation and maintenance
TBD	\$200,000	Safety, controls, physical equipment, environmental controls, plant communication, security, and building and structure related capital improvement services, engineering, and consulting
TBD	\$8,500	Carbon Monoxide (CO) catalyst annual testing to accurately predict remaining catalyst life and the associated maintenance and replacement schedule
TBD	\$8,500	Selective Catalytic Reduction (SCR) catalyst annual testing to accurately predict remaining catalyst life and the associated maintenance and replacement schedule
TBD	\$25,000	Engineering support to evaluate emission reduction requirements related to catalyst performance specifications and limitations in mechanical equipment

PROFESSIONAL SERVICES AGREEMENT LIST

TBD	\$32,500	Air emissions testing services to meet environmental requirements for annual testing of MPP, as required by the South Coast Air Management District
TBD	\$50,000	Engineering Computer Aided Design (CAD) support to properly capture documentation of power plant process changes (red-lined drawings)
TBD	\$40,000	Arc Flash Mitigation Study improvements
TBD	\$56,650	Consultant(s) to provide system controls refinement and load response
TBD	\$70,000	Temporary staffing on essential power plant controls engineering function, until the new Controls Engineering position is filled
TBD	\$100,000	Inspection, testing, troubleshooting, and engineering for the Heat Recovery Steam Generator and related mechanical equipment
TBD	\$100,000	Engineering support for plant maintenance issues, integration of audit findings, and reliability issues
TBD	\$180,000	Boiler and cooling tower chemicals, to maintain water chemistry in MPP within acceptable operating limits
TBD	\$490,000	Water treatment chemicals, to maintain process chemistry in the Zero Liquid Discharge System (ZLD)
TBD	\$54,720	Maintenance training on specific job tasks, such as rotating equipment repairs, cribbing, lifting, and slinging
TBD	\$82,080	Operations training on Martech and GE for operators to maintain proficiency
TBD	\$10,500	Greenhouse gas emissions report verification services
TBD	\$50,000	Environmental regulatory compliance and permitting support
TBD	\$30,000	Legal support for environmental compliance
TBD	\$50,000	Professional consultations as needed to understand and effectively address reliability requirements and process improvements within the Zero Liquid Discharge System (ZLD)
TBD	\$75,000	Plant engineering support for capital improvement projects identified in the areas of safety, environmental, efficiency, and general plant improvements
TBD	\$100,000	Review the current MPP control parameters and implement refined control loops to better control the MPP units output
TBD (Up to 4 vendors)	\$55,000	Air quality testing to meet Air Quality Standards and ensure regulatory compliance including that required for returning Olive units to service
TC Technology	\$50,000	Development and implementation of mobile mapping and inspection technologies
Telvent USA, LLC	\$43,000	Power Control System (PCS) maintenance agreement
Telvent USA, LLC	\$47,000	Telvent OASyS software maintenance agreement
Telvent USA, LLC	\$99,000	Outage Management System (OMS) Extended Support and Maintenance (ESM) agreement
Test Rite / Mccalls	\$30,000	Large meter testing and repair
The Energy Authority	\$10,000	International Swaps and Derivatives Association (ISDA) negotiations consulting

PROFESSIONAL SERVICES AGREEMENT LIST

The Regulatory Assistance Project	\$75,000	Rates and analytical support
Tom Roth	\$30,000	Consulting on fuel administration and scheduling software consulting
Trilliant	\$41,000	Advanced Metering Infrastructure (AMI) hosting services
Trilliant	\$50,000	Programming for Advanced Metering Infrastructure (AMI)
Trilliant	\$140,000	Back-end support for Sustainment services
Trimark Associates	\$5,000	Generation reporting requirements for Western Renewable Energy Generation Information System (WREGIS)
Trimark Associates	\$7,500	Western Renewable Energy Generation Information System (WREGIS) meter data upload service
Trinity	\$7,500	Greenhouse Gas verification services for the Lake Unit
Tyler Gonzalez Architects (TGA)	\$140,000	Architectural services for Fleet Building Modification.
Unisource	\$10,000	Design work station layout for the Fleet Building Modification.
Vision Internet	\$5,000	Maintenance and changes to the ONEBURBANK.com website
Wallace Labs	\$10,000	Soils analyses
Western Services Corp	\$55,300	Service agreement for the simulator vendor to fix discrepancies between actual and simulated operation - to enhance the simulator maintenance program with remote service support
Workcare	\$20,000	Services from medical professionals for injury and incident intervention.
TOTAL	\$30,000,901	

CITY ATTORNEY

Artek	\$5,000	Miscellaneous Attorney Services
Susan Campana	\$5,000	Court Reporting Services
West Group Payment Center	\$35,000	Legal Subscriptions for Law Library and Online Research Access
TOTAL	\$45,000	

CITY CLERK

Code Publishing	\$8,000	Online Municipal Code and Codification services
Westcoast Online Information Systems, Inc. dba Netfile	\$12,689	FPPC Form 700 and Candidate Filings
Martin & Chapman	\$150,000	Election Supplies and Services
TOTAL	\$170,689	

CITY TREASURER

Bank of America	\$90,000	Monthly Banking Services
Bloomberg	\$26,500	Software for investment-related informational, analytical services
Garda	\$6,000	Armored Services
Sungard Data Systems, Inc.	\$14,400	Portfolio & Fund Accounting
Union Bank of California - RIS Account Analysis	\$5,000	Monthly Banking Fees For CDD Housing

PROFESSIONAL SERVICES AGREEMENT LIST

Union Bank of California Trustee - Trust Fee Group	\$14,500	Safekeeping Of Securities
--	----------	---------------------------

TOTAL	\$156,400	
--------------	------------------	--

CITY MANAGER

Carol Dorman	\$9,000	Provide videotaping services for civic meetings and events
Emanuel Jones and Associates	\$22,700	State legislative advocacy
Ross Benson	\$1,250	Photography / archived photos / reproduction
Studio Spectrum	\$2,000	Maintenance and engineering services of Council Chamber equipment and additional peripheral equipment.
TBD	\$80,000	Broadcast Systems Installation
Vision Internet	\$12,500	Hosting and maintenance for City's website (burbankca.gov).

TOTAL	\$127,450	
--------------	------------------	--

COMMUNITY DEVELOPMENT DEPARTMENT

Amec Foster Wheeler	\$25,000	Geotechnical Plan Check
Ascencia	\$30,000	Consultant services will include a seasonal or year-round Street Outreach Program, Vulnerability Index, and transportation services for homeless individuals, at-risk, and homeless families.
Athans Enterprises, Inc.	\$75,000	Electrical Plan Check
Burbank Green Alliance	\$800	Team Business Class Instruction
Claritas Nielsen	\$4,100	Demographics Database
Contemporary Information Corp.	\$25,000	Consultant for Criminal and Credit Checks
Costar	\$10,900	Commercial Property Database
Counterintuity	\$4,000	Team Business Class Instruction
DataQuick	\$2,000	Real Estate Data Service
David L. Lindell	\$5,000	Land Surveying
Dorado Company	\$75,000	Utility Coordination for I-5 project
EMS Land Services, LLC	\$33,250	Real estate services related to the Interstate 5 HOV / Empire Interchange Project
EMS Land Services, LLC	\$79,750	Real Estate Consulting
Equifax / TALX Corporation	\$15,000	Social Service Benefit Reviews and Background Checks
Itsmysseat.com	\$800	Team Business registration website management
JCL	\$12,000	Traffic and street closure for district events
JMD Landscape Architecture	\$15,000	Landscape review
John A. Martin & Associates, Inc.	\$75,000	Structural Plan Check
John Ellis	\$4,500	Photographer/Marketing
