

Public Notice

Proposed construction of a 467 square foot single-story addition to an existing 1,862 square foot home at 3248 N. Frederic St.

What is this?

This notice is to let you know the City of Burbank Community Development Director will make a decision to approve or deny an application for a Hillside Development Permit (HDP). The HDP consists of a 467 square foot first-floor addition to the rear of the home. The proposed addition will not be visible from the street. The Floor Area Ratio is proposed at 0.20 with the existing building height at 18'-8" and the overall addition height at 15'-7". The subject property is located in the R-1 (Single Family Residential) zone within the designated hillside area. This project has been determined to be exempt from the California Environmental Quality Act (CEQA) under Guidelines Section 15301(e) (Existing Facilities) for small additions to existing structures.

Why am I getting this?

You are getting this notice because the proposed project is located near where you live or own property. This notice was mailed to all residents and property owners within 300 feet of the project to solicit input prior to the final decision. Because you have the right to appeal the decision of the Director to the Planning Board, whether the project is approved or denied, we wanted you to know about options for participating: call or write to tell us what you think about the project, and/or appeal the Director's decision. The Community Development Director will make a decision to approve or deny this project on **June 22, 2020**. You may provide input prior to this decision. You also have a right to appeal the decision within 15 days of the date the decision is made (any appeal must be filed with the applicable appeal fee *no later than 5:00 p.m. on July 8, 2020*).
