

Public Notice
Proposed
wireless
facilities on
Warner Bros.
Studio lot

What is this?

This notice is to let you know that the Community Development Department will be making a decision to approve or deny an application for an Administrative

Use Permit (AUP). The AUP request is to install small cell wireless facilities on the Warner Bros. Studio lot to enhance movie/television production capabilities and improve wireless services for the studio. The antennas would be mounted on buildings throughout the lot within the boundaries of the studio property. The property is located in the PD (Planned Development) 94-8 zoning district. This project is categorically exempt from the California Environmental Quality Act (CEQA) under CEQA Guidelines Section 15303 (New Construction or Conversion of Small Structures) for limited numbers of new, small facilities or structures.

Why am I receiving this Notice?

This notice was mailed to all residents and property owners within 1,000 feet of the project site to solicit input prior to the final decision. The Community Development Director will make a decision on the project *on or after October 8, 2020*. You may provide input prior to this decision. You also have a right to appeal the decision within 15 days of the date the decision is made (any appeal must be filed with the applicable fee no later than 5:00 p.m. on October 23, 2020). To file an appeal, please contact the Project Planner listed below. *Please e-mail the Project Planner listed below for information on how to submit an appeal during the City's COVID-19 modified operations.*
